## Mission Statement

Vision Statement of the Clark County School District (CCSD) Board of Trustees: All students progress in school and graduate prepared to succeed and contribute in a diverse global society.

---

## Superintendent's Highlights

CCSD is in its third year of a five-year implementation of Focus: 2024, Clark County School District's Five-Year Strategic Plan. The plan was developed to ensure that all schools are rated three stars or higher on the Nevada School Performance Framework and that at least 90 percent of CCSD students graduate from high school ready for college and career.

Throughout Focus: 2024, work is approached through a theory of action that recognizes that, "Our people drive our success." It follows, "In order to realize this plan, we must commit to attracting, growing, retaining, and rewarding our people." This theory helped to operationalize established core values of high expectations, accountability, equity, innovation, integrity, leadership, customer service, and communication into five strategic priorities that will enable CCSD to achieve student success targets.

### Priority Area 1: Student Success

Increasing student achievement in core content areas will rely on providing high-quality, standards-based Tier I instruction. Objectives and strategies are designed to:

- Increase student achievement in English language arts, mathematics, and science.
- Decrease student proficiency gaps in English language arts, mathematics, and science.
- Increase access and equity to rigorous curriculum and instruction for all students.
- Ensure students and staff are safe and engaged at school.

### Priority Area 2: Teachers, Principals, and Staff

Objectives and strategies are designed to ensure all students have access to highly effective teachers, principals, and school staff.

### Priority Area 3: Balanced Governance and Leadership

Objectives and strategies are designed to enhance CCSD's Governance and Leadership structures to reflect the needs of the community.

### Priority Area 4: Sound Fiscal Management

Objectives and strategies are designed to:

- Improve quality, communication, and understanding of district financial information.
- Improve financial equity and stability and ensure regulatory compliance with finance and budget related requirements.
- Ensure operational effectiveness and efficiency of school and District facilities and operational resources.
- Reduce the general fund impact caused by safety concerns resulting in injury or damage.

### Priority Area 5: Parent and Community Support

Objectives and strategies are designed to:

- Leverage internal resources to help parents/guardians support student achievement and attendance.
- Secure strategic external resources and community partners.
- Improve trust in and perception of CCSD.

2020-2021 Recognitions and Awards

- The Council of Chief State School Officers announced Juliana Urtubey, an elementary school special education teacher, as the 2021 National Teacher of the Year. Urtubey, an educator for 11 years, teaches at Kermit R. Booker, Sr. Innovative Elementary School in Las Vegas, where she serves as a co-teacher in Pre-Kindergarten through Grade 5 special education settings, and as an instructional strategist developing supports to meet students' differing academic, social-emotional, and behavioral needs.
- As of December 18, 2020, Connecting Kids Nevada ensured 313,313 students in CCSD had access to a device and reliable Internet connection at home as part of their public-private coalition.
- Three CCSD schools were named National Blue Ribbon Schools by the U.S. Department of Education. The CCSD schools honored were: Veterans Tribute Career and Technical Academy, West Career and Technical Academy, and Judith D. Steele Elementary School.
- A total of 52 CCSD high school students have been selected as semifinalists in the 2021 National Merit Scholarship Program through the National Merit Scholarship Corporation. They represent less than one percent of U.S. high school seniors and qualify to continue in the competition for National Merit Scholarships worth more than \$30 million, to be offered next spring. These students were among the highest-scoring participants in Nevada who entered the program by taking the 2019 Preliminary SAT/National Merit Scholarship Qualifying Test, which is the initial screening for program entrants. The nationwide pool of semifinalists includes the highest-scoring entrants in each state.
- A CCSD student from Coronado High School was named a 2020 U.S. Presidential Scholar as part of the 56th annual class of recipients. The Coronado High School senior, Dakyung Lee, is one of 161 high school seniors to be recognized nationally for accomplishments in academics, the arts, and career and technical education fields.
- Lyal Burkholder Middle School earned the 2021 Recognized American School Counselor Association (ASCA) Model Program (RAMP) designation for making an exemplary commitment to its school counseling program. This is the second time Lyal Burkholder Middle School has been awarded RAMP designation and is the only school in the state of Nevada to receive the designation this year.
- For the 22nd consecutive year, the CCSD Music Education Program has been honored with the Best Communities for Music Education designation from the National Association of Music Merchants (NAMM) Foundation.
- CCSD has been recognized with the Certificate of Excellence in Financial Reporting (COE) by the Association of School Business Officials International for its comprehensive annual financial report. The COE signifies that CCSD met the organization's high standards for financial reporting and transparency in the 2020 fiscal year.
- In February, the Vegas Golden Knights nominated Sydney Kimble, a Grade 6 Science teacher at Jo Mackey iLead Academy, for the Digital Sciences as their February nominee as part of the National Hockey League (NHL) and the National Hockey League Players' Association (NHLPA) Future Goals Most Valuable Teacher program. The Future Goals Most Valuable Teacher program is intended to recognize teachers participating in the NHL and NHLPA Future Goals program who use the sport of hockey and the tools of the program to further educate students in science, technology, engineering, and mathematics.
- K. O. Knudson Academy of the Arts was designated as an Exemplary School in recognition of its commitment to excellence by the Arts Schools Network Board of Directors. The five-year designation is awarded for 2020-2025.
- The Leadership Development Department supported and implemented the work with the Wallace Foundation on a research-based, principal pipeline initiative. Through this work, key systems and structures have been identified and created to strengthen and enhance our processes for ensuring that every school has an effective principal.
- The Leadership Development Department assisted and supported CCSD's partnership with the National Institute of School Leadership (NISL). This partnership supports approximately 100 principals through professional learning sessions to build effective leadership skills through a focus on strategic thinking and instructional leadership practices to improve schools and increase student achievement.

Magnet Schools - Fiscal Year 2020-2021 Accomplishments

- For the 2020-2021 school year, the CCSD Magnet Schools Department continued to increase access for students in magnet programs by opening additional magnet seats for students entering Kindergarten. Additionally, all magnet program criteria for high schools temporarily transitioned to interest-based in response to challenges faced as a result of the COVID-19 pandemic.
- Thirty-four CCSD magnet schools were recipients of the Magnet Schools of America (MSA) Merit Awards. Seventeen magnet schools were awarded Schools of Excellence and nineteen were awarded Schools of Distinction. Thurman White Academy of the Performing Arts was recognized as the top magnet school in the country, receiving the Dr. Ronald P. Simpson Distinguished Merit Award, and Walter Bracken STEAM Academy was recognized as a Top 20 Magnet School of Excellence. MSA named Athena Mertes of Thurman White Academy of the Performing Arts as the Region II Teacher of the Year and Gia Moore, Director of College and Career Readiness and School Choice as the inaugural National District Administrator of the Year.

**Goals and Objectives**

The ongoing COVID-19 pandemic at the start of the school year required the District to continue with distance education from August 2020 through March 2021. Ensuring all students had access to a reliable Internet connection and a device was a priority for starting the school year. The District partnered with Connecting Kids Nevada and Cox Communications to assist families in getting connected to the Internet and coordinated the delivery of thousands of Chromebooks and tablets to students.

The primary focus was reopening schools safely to allow for students to return to in-person learning. Reopening schools was carefully orchestrated to ensure the safety of all students and staff and followed four guiding principles:

- Ensure the safety and wellbeing of all students and employees.
- Promote equity and accessibility to learning for all students.
- Provide instructional delivery systems to meet the needs of all students.

- Foster positive relationships and interactions.

The District partnered with emocha Health to track daily symptom monitoring required for all employees working on or off site; in addition to providing free onsite randomized and symptom-based testing throughout the District.

The continued school closures during the 2020-2021 school year will require the District to reevaluate its Focus:2024 plan and make adjustments once the full impact of the COVID-19 pandemic has been evaluated.

## District Communication Efforts

Parents/Guardians and community members are encouraged to be active participants in the educational process. In the 2020-2021 school year, CCSD promoted frequent, two-way communication with parents/guardians, families, and the community through a variety of meetings, forums, publications, and media events as the community worked to deal with a global pandemic and schools provided distance education for part of the school year:

Board of School Trustees' outreach to the community:

- The Board of School Trustees conducted Community Input Meetings in order for parents/guardians and the community to provide input about an anti-racism policy. The information about these meetings was shared with parents/guardians via ParentLink, promoted on social media, and was made available online at [ccsd.net](http://ccsd.net).
- The Board of School Trustees regular Board meetings, as well as most work sessions and committee meetings, were available on [ccsd.net](http://ccsd.net) and/or Facebook Live in order to provide parents/guardians, students, and the community with greater access to the meetings and the decision-making process during building closures due to the COVID-19 pandemic.
- The Superintendent took part in various community meetings that were held virtually during the COVID-19 pandemic to allow for participation in dialogue, and to answer questions from the community and employees.
- The Board of School Trustees, the Superintendent, and CCSD staff attended community meetings and made presentations to the members of various community organizations.
- Surveys were made available to parents/guardians and the community requesting feedback regarding all aspects of schools, including CCSD's annual Districtwide Survey and a Reopening Our Schools Survey, to gather feedback from parents/guardians, students, and the community prior to classes resuming due to the COVID-19 pandemic.
- Parents/Guardians and community members regularly participated and provided input to critical committees, such as the Attendance Zone Advisory Commission (AZAC), Bond Oversight Committee, School Name Committee, and the Student Advisory Committee.
- CCSD provided reports and messages related to educational reforms and planned changes through community meetings, emails, parent/guardian messaging, Web postings, and Just the Facts documents posted on [ccsd.net](http://ccsd.net), on social media, and at presentations at Board of School Trustees meetings.

Other CCSD communications:

- CCSD provided updates and important messages directly to parents/guardians and community members through districtwide weekly ParentLink messages; website postings; email; the ParentLink messaging system; and social media venues, such as Facebook, Instagram, and Twitter.
- The CCSD website provided timely information for parents/guardians and provided links to individual school websites, as well as Summer Information and Back-to-School pages that were available to students and parents/guardians. Web resources also included CCSD's reorganization ([reorg.ccsd.net](http://reorg.ccsd.net)), professional learning information, videos, and legislative updates. There is also a family section and information on School Organizational Teams (SOTs).
- The CCSD website was heavily utilized during the COVID-19 pandemic school closures to ensure access to distance education; food services; and Superintendent messaging to students, families, employees, and the community.
- CCSD sends a monthly newsletter to community supporters who subscribe for the email newsletter.
- Video messages were created to share with parents/guardians and the community, including graduation updates, reopening updates, hybrid instructional model, five days a week face-to-face instruction for elementary students, and employee recognition videos.
- CCSD's social media accounts were utilized daily to promote CCSD and school activities and accomplishments, dates and times for Board and committee meetings, Family and Community Engagement Services (FACES) events, safety reminders, partnering with other entities, and to encourage the community to be involved in public education. Schools throughout CCSD produced and distributed information about the specific programs; activities; and events through newsletters, websites, and the ParentLink messaging system.
- The Superintendent and CCSD staff appeared on radio and television programs to inform the community of changes taking place within CCSD and to encourage their feedback and foster positive working relationships.
- CCSD continued to contribute to a weekly education news column in *El Tiempo, Zona Escolar*. CCSD continued the What's Cool at School segment with the local CBS affiliate to highlight different schools, students, and staff. Additionally, a regular Discussing the District segment was utilized.
- The Superintendent and staff held virtual and in-person media events to provide information to the public about school closures, schools reopening, health precautions, and curriculum.
- The District assisted the Southern Nevada Health District and Clark County by promoting COVID-19 testing locations via social media and [ccsd.net](http://ccsd.net).

## Discipline

The Education Services Division (ESD) administration provided annual professional learning for all administrators assigned to handle student discipline as aligned to the CCSD K-12 Student Code of Conduct. The ESD Behavioral Legislative Update professional learning session included the behavior tab in Infinite Campus, accuracy in event and resolution codes, student

searches, student expulsion procedures and related statutes, student attendance procedures and related statutes, investigation procedures, and discipline data reporting.

Additionally, the Board of School Trustees, principals, assistant principals, student success coordinators, central office administrators, and substitute administrators attended an annual, required bullying and cyberbullying professional learning session prior to the start of each school year. The bullying and cyberbullying professional learning sessions are also offered monthly to newly appointed administrators. This professional learning session incorporates the relevant sections of Chapter 388 of the Nevada Revised Statutes (NRS), CCSD Policy 5137, defines bullying and cyberbullying, outlines the mandated protocols and timelines, and reviews all available guidance documents. Further discussion and information regarding harassment, intimidation, and school safety was facilitated to promote a safe and respectful learning environment throughout CCSD. Similarly, during the onboarding process, all new CCSD employees, volunteers, and coaches were provided the professional learning sessions. Infinite Campus served as a source of record keeping where all bullying and cyberbullying protocols and practices can be logged, along with accessing all required reporting documents, which are automatically populated when schools enter a bullying or cyberbullying event.

## Curriculum Details

CCSD's core curriculum consists of English language arts, mathematics, science, and social studies. In order to provide students with a comprehensive, rigorous curriculum, curricular and instructional supports are also offered in the areas of fine arts, library services, world languages, health, and physical education. With the ongoing implementation of the 21st Century Course of Study, students in high school are scheduled into a fourth year of mathematics, which includes Algebra II, and a third year of science, which includes biology. CCSD specifies Grades Kindergarten (K)-12 curriculum as the basis for instruction in all classrooms. This includes traditional, blended, and online curricula. CCSD expects its students to master grade-level skills with an ultimate goal of being prepared for college and careers.

The Nevada Academic Content Standards (NVACS) serve as the foundation for the curriculum. The NVACS are a progression of learning expectations that are designed to prepare students for college and career readiness. They include rigorous content with the application of knowledge and critical thinking skills.

To further support Tier I instruction, pacing guides were created to provide continuity across CCSD. The pacing guides were designed to be used in conjunction with a long-range unit planning guide to ensure all standards are adequately addressed and students have multiple opportunities to achieve mastery of grade-level standards throughout the school year.

The Curriculum and Instruction Division (CID) unwrapped the NVACS and provided access to pacing guides in the Curriculum Engine. CID has continued to develop and implement professional learning opportunities related to unwrapping standards and instructional planning to support teachers in providing high-quality, standards-based instruction for all students.

During the 2020-2021 school year, the K-12 Literacy and Language Development Department continued to work with a task force to create the Literacy and Language Development Plan. Policy 6161 and Regulation 6150 were also revised. Policy 6161 defined an effective school library and Regulation 6150 addressed all instructional materials, a process for selection of such instructional materials, and procedures for challenges to supplemental and/or library resources. In addition, Regulation 6150 further defined how each school will ensure an effective school library and annual reporting to the Board of School Trustees.

The K-12 Literacy and Language Development Department provided standards-based professional learning and customized school support to K-12 English language arts teachers, administrators, Read by Grade 3 literacy specialists, teacher-librarians, and support professionals throughout the year. Best practices and strategies to ensure effective engagement, small-group instruction, and assessments were shared to support both distance education and blended learning.

The K-12 Mathematics Department provided initial implementation professional learning for the materials included in the Mathematics Tier I instructional materials centralized purchase for Grades K-8, Algebra I, Geometry, and Algebra II.

The Social Studies Department assembled teacher task forces to create pacing guides and sample unit plans aligned to the NVACS including compelling questions, inquiry-based lessons, and resources to provide structure and guidance. Teacher task forces will continue to align additional resources including adoption of instructional materials and unwrapping standards. The Social Studies Department provided professional learning on the NVACS for social studies, instructional resources, distance education, and hybrid instruction to assist K-12 social studies teachers. In addition, economics and financial literacy instruction were implemented in the U.S. Government and Economics courses.

The World Language Department assembled teacher task forces to revise the level one curriculum and level two curriculum for seven languages. This curriculum is aligned to the NVACS and includes teacher guides, student guides, student proficiency passports, and instructional resources. The World Language Department provided 16 professional learning opportunities to world language teachers. The topics included distance education, assessments, hybrid instruction, instructional resources, student engagement, and language acquisition. A world language resource drive was created which included Canvas shells, pacing guides, 30 how-to videos, digital resources, and formative assessment tools. Lastly, the World Language Department oversaw the Seal of Biliteracy testing for 58 high schools.

The Elementary Fine Arts Department assembled teacher task forces to update and revise the instructional strategies and music examples in the melody sections of the Elementary Music Curriculum Guides. The high school juried art show, VOICE, was displayed at the Public Education Foundation Gallery and included 43 submissions from 11 schools. The middle school art show, VISION, was displayed at the Winchester Dondero Cultural Center Gallery and included 16 submissions from four schools. The Elementary Fine Arts Department provided professional learning for Grades K-5 music and Grades K-12 visual arts teachers in instructional resources, distance education, and hybrid instruction to assist with curriculum implementation.

The Secondary Music, Dance, and Theatre Department assembled a teacher task force to create new pacing guides for

## 2020-2021 District Accountability Report

performing arts courses. These guides will be available June 1, 2021, and will assist teachers in aligning instruction with new NVACS for fine arts. The Secondary Music, Dance, and Theatre Department also provided professional learning on the new standards for fine arts, instructional resources, hybrid model learning, and creating performances in a virtual format.

The Science Department continued to provide support to all grade levels with the development and implementation of science curricula that reflects the Next Generation Science Standards (NGSS). A framework for science instruction was developed and presented to teachers through professional learning. The framework was also made accessible through the Science Canvas Conference. The NVACS for health were revised and adopted by the Nevada State Board of Education. The Science Department worked with a task force to unwrap the NVACS, update relevant courses, and provide professional learning and resources for teachers for implementation in the 2021-2022 school year.

With the impact of COVID-19, professional learning focused on assisting educators in moving from the traditional lesson planning to instructional planning for learning in all environments: distance education, hybrid learning, and face-to-face. Specifically, this involved creating student-centered, digital learning experiences during distance education, with digital course structures in Canvas based on templates and incorporating best practices of universal design for learning. Professional learning topics were specific to the needs of each content area.

The Online and Blended Learning (OBL) Department provided professional learning to all schools regarding the use of the Canvas Learning Management System (LMS) and its functionalities. The OBL Department was also highly involved in the oversight of the custom grade passback functionality allowing for the automatic transfer of grades from Canvas to Infinite Campus. Additionally, the OBL Department designed and facilitated a series of Canvas Champions professional learning for three designees from each school to assist all schools with increasing their capacity to support and implement the Canvas LMS in alignment with CCSD's vision of moving toward a single LMS for the 2021-2022 school year.

CID supported professional learning at all CCSD schools by working with Read by Grade 3 literacy specialists, department chairpersons, teacher-librarians, and site-based teams. CID partnered with the English Language Learner Division (ELLD), the Student Services Division (SSD), the Leadership and Professional Learning Division (LPDP), and the School Counseling Department to facilitate a total of 28 Academic Unit (AU) meetings in October 2020, February 2021, and May 2021. The AU meetings were designed to provide administrators, counselors, and special education instructional facilitators (SEIFs) with updates and professional learning to support students and staff in distance education, hybrid instruction, and face-to-face instruction.

CID facilitated 46 content-area distance education leader (CADEL) meetings in November 2020, January 2021, and April 2021. The CADEL meetings were designed to build the capacity of elementary school, middle school, and high school administrators and teacher leaders to support distance education in the content areas. Each school administrator was encouraged to attend with the content-area teacher leaders, a special education teacher, and the English language learner (ELL) Student Success Advocate (SSA) from their school.

The Family and Community Engagement Services (FACES) Department aligns with best practices from around the nation that underscore the importance of family engagement as an embedded part of curriculum and instruction. Family engagement plays an integral part in teaching and learning and has demonstrated a positive impact on student academic achievement. FACES models a dual capacity-building approach for schools and families based on the work of Dr. Karen Mapp. FACES offered virtual professional learning to school staff on research-based strategies to communicate, engage, partner, and co-create with families. Through the University of Family Learning (UFL), FACES expanded their virtual family workshop offerings by providing opportunities before, during, and after school hours and on evenings and weekends. In collaboration with Vegas PBS, FACES created a library of on-demand family videos and resources for families to access at any time. FACES provided targeted, in-person support and services to families, schools, and communities and continues to collaborate with District and community partners to leverage resources that increase both family and student success.

Recent CCSD reorganization established the Engagement Office. This office is responsible for expanding and implementing a plan for parent/guardian and community support and engagement aligned to CCSD's strategic plan. The work of this office will include: establish and communicate grant-making strategies and priorities for CCSD and Vegas PBS; create new donor relationships and build resources; develop, enhance, and maintain positive relationships with community, governmental, and non-profit organizations; and establish partnerships and raise awareness about CCSD in close collaboration with Vegas PBS. The following departments are structured under the Engagement Office: School-Community Partnership Program, FACES, Community Outreach, the Academic Support and Community Service Center, and the Indian Education Opportunities Program.

The Leadership and Professional Learning Division (LPLD), including Employee Onboarding and Development Department and the Leadership Department, supported the design, development, implementation, and monitoring of a comprehensive equity-centered teacher and principal pipeline. The division worked cross-functionally with District departments and divisions to ensure that the professional learning curriculum and outcomes support aspiring and current school leaders to meet the needs of all students leading to their success.

The Employee Onboarding and Development Department provided targeted professional learning for new educators in the areas of classroom management, culture and climate, and student engagement. The Employee Onboarding and Development Department provided a customized teacher preparation program, including mentoring support, Accelerated Licensure Teacher Academy (ALTA), and specialized professional learning for instructional assistants to better support student achievement.

In addition, the Leadership Department prepared aspiring and current school leaders through research-based professional learning that focuses on effective practices for instructional leadership through the lens of the Nevada Educator Performance Framework. School leaders received professional learning through the Aspiring School Administrators Program, Aspiring School Principals Program, and the newly developed assistant principal and principal mentoring programs.

## Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of validation day.

### Gender and Ethnicity

Data as of Validation Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

| means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

## Special Populations

## 2020-2021 District Accountability Report

Data as of Validation Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

IEP= Students with disabilities

EL= Students who are English Learners

FRL= Students qualifying for Free/Reduced Price Lunch

District totals do not include state or district sponsored charter school data. (2008-Current)

| means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

### Student Average Daily Attendance (ADA)

Student Average Daily Attendance (ADA) is the percentage of the school enrollment in attendance on an "average school day" as of the 100th day of school.

	All Students	Am In/ AK Native	Asian	Hispanic	Black	White	Pacific Islander	Two or More Races	IEP	EL	FRL

ADA Data as of: First 100 days of instruction

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

IEP = Students with disabilities

ELL = Students who are English Language Learners

FRL = Students qualifying for Free/Reduced Price Lunch

Top and bottom coding applied to values that fall <5% or >95%, in order to protect student privacy.

District totals do not include state or district sponsored charter school data. (2008-Current)

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

Data as of: End of school year

\* indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

\*\* indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

\*\*The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

### Student/Teacher Ratio

Student/Teacher Ratio is listed for all classes whose students do not rotate to different teachers.

	All Schools#	Kindergarten	1st Grade	2nd Grade	3rd Grade	4th Grade	5th Grade	6th Grade	7th Grade	8th Grade

Data as of: December 1st

'.' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

"+" Teachers may serve multiple grade levels as needed. Student/Teacher Ratio is reported for the school as a whole.

"++" Kindergarten ratios are based on the number of classes, not teachers.

District totals do not include state or district sponsored charter school data. (2008-Current)

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

Data as a of: Previous School Year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma, withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

### Nevada System of Higher Education Remedial Data

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

\*\*\* indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

'-' indicates data not presented for groups fewer than 10.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

For further explanation on cohort graduation indicators and other terminology, please see the glossary section.

Cohort Graduation Rate is lagging data, which means that for 2012-2013 Report Card, data from 2011-2012 school year (class of 2012) is being reflected. Likewise, in the 2011-2012 Report Card, data from 2010-2011 (class of 2011) school year is reflected.

Cohort graduation rate data is lagging data.

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Data as of: December 1st

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

\*\* indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

## Fiscal Information

### Per-Pupil Expenditures 2019-2020

No Data Available

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Schools only showing up with \$0 are new and data was not collected for prior year.

NDE in consultation with In\$ite adjusted formula used to calculate per pupil expenditures with the Annual Reports of Accountability, rendering comparisons between the year and past years data.

## Personnel Information

### Classes Not Taught by Highly Qualified Teachers

Highly qualified teachers hold a minimum of a bachelor's degree, are licensed to teach in the State of Nevada, and have demonstrated competence in their teaching area. Data were obtained from the Office of Teacher Licensure as of May 2021.

## 2020-2021 District Accountability Report

Substitute Teachers Data as of: June 30th (2008-Current)

\*N/A indicates that this population was not present.

\*\* indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

The reporting of long-term substitute teacher data began in 2005-2006. Short-term substitute teacher data will be reported for the first time on the 2006-2007 report.

Data as of: Fall

'N/A' indicates that this population was not present.

\*\*\* indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008- Current)

### District NSPF Results:

2020-2021 NSPF results are not available. School ratings will be reported in Fall 2022.

Note: District totals do not include state or district sponsored charter school data.

*The development of this annual state accountability report is a joint effort among the Nevada Department of Education and Nevada school districts. This report is provided to the public as required by the federal Every Student Succeeds Act (ESSA) and NRS 385A.400. A comprehensive listing of all accountability data, including student test data, may be accessed on the Nevada Annual Reports of Accountability website at [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).*
