Board of School Trustees

CLARK COUNTY SCHOOL DISTRICT

With respect to interactions with students and their families or those enrolling to be students, the Superintendent shall develop conditions, procedures, or decisions, which support student learning and which are safe, dignified, equitable, nondiscriminatory, and/or nonintrusive.

Further, without limiting the scope of the foregoing by this enumeration, he or she shall:

1. Inform students and their families of this policy in a timely manner, and/or provide a Public Concern Form to persons who believe they have not been accorded a reasonable interpretation of their protections under this policy.
2. Inform students and their families of the curriculum and benchmarks for the appropriate grade level and any pertinent changes to the curriculum, including related services provided by the CCSD to assist students in meeting educational requirements.
3. Communication to students and their families, through the utilization of all available and appropriate means, pertinent information regarding the District, schools and related activities.
4. Create an environment that welcomes and encourages parents to participate in their child's education.
5. Implement policies, procedures, and practices, which promote the health and safety of the students.
6. Be considerate of and sensitive to racial, ethnic, cultural, and community values while promoting inclusiveness in all school activities and facilities.
7. Use methods for collecting, reviewing, transmitting, or storing student and family information that protect against improper access.
8. Build and operate facilities with appropriate accessibility for all students families, and community.
