

Site Complexity - Point Factor

Staff Size - Total number of licensed and support professional employees, including part time, exclusively assigned to the site; award points for total staff allocation, including teaching units converted to preparation period buyouts in lieu or to support professional positions/hours (use the allocation of licensed units and non-licensed units for the school as provided by the Human Resources Division).

- All staff regardless of full-time equivalent (FTE) - Count part time as 1.0
- Staff are counted by work location

Weight	Special Education - number of units allocated as Special Education
8–12	(8) * 3–4 units (10) * 5–8 units (12) * 9+ units
8	Year-Round - multi-track <ul style="list-style-type: none"> • Exclude year-round single track
6	At-Risk - designated by the central office based on number of students receiving free or reduced-price lunches (50 percent or more); high schools receive credit if feeder schools as a whole meet the 50 percent standard
6	Senior High School Activities - large number of extracurricular functions, such as dances, concerts, clubs, and other student organizations
6	Athletics - complete competitive athletics program (Nevada Interscholastic Activities Association [NIAA] sponsored programs)
4	English Language Learner (ELL) - 25 percent of total enrollment = ELL students
3	Transportation-Related Issues - above expected level of bus-related issues based on number of buses and students transported <ul style="list-style-type: none"> • Exclude Special Education buses • Ten buses or more
2	Magnet - separate “school-within-a-school” for specific instructional purpose involving additional program administration <ul style="list-style-type: none"> • Exclude stand-alone magnet schools (only school-within-a-school)
2	Middle School Activities - large number of extracurricular functions, such as dances, concerts, clubs, and other student organizations
2	Sole Administrator - single administrator with no assigned assistant principal or other

regular, on-site administrative support

2 **Rural Site** - sites designated as rural by central office

2 **Multiple Sites** - principal supervises more than one site; second site must be housed at a different physical location than primary site

55 TOTAL POSSIBLE POINTS

**Clark County School District
Site Management Plan (Schools)**

FACTOR POINTS	0–16	17+
STAFF SIZE		
0–50	Step 42	Step 42
51–100	Step 42	Step 43
101–150	Step 43	Step 44
151+	Step 44	Step 46

Total points values for each school location will be computed based upon final enrollment numbers determined on State Count Day.

Site Complexity Factors/Weight

- Special Education (8–12)
- Year-Round (8)
- At-Risk (6)
- Senior High School Activities (6)
- Athletics (6)
- ELL (4)
- Transportation-Related Issues (3)
- Middle School Activities (2)
- Magnet (2)
- Sole Administrator (2)
- Rural (2)
- Multiple Sites (2)
- Total Possible Points = 55
