Where Nevadans Find the Help They Need

Nevada 2-1-1 is Nevada's most comprehensive, free connection to critical health and human services. Information about local community services is available in a single statewide location that can be accessed via voice, text, and online.

Nevada 2-1-1 is a statewide partnership that is led by the State of Nevada, United Way of Southern Nevada, United Way of Northern Nevada and the Sierra, Crisis Call Center, and HELP of Southern Nevada. The goal of this partnership is to connect any and all Nevadans to vital health and human resources and to eliminate the confusion and frustration of knowing where to turn in a time of need.
