

## GRADUATION RATE

**Goal 3:** Increase the percentage of students graduating each year.

| Performance Zone<br>2014-15      | Graduation Rate<br>2012-13 | Graduation Rate<br>2013-14 |
|----------------------------------|----------------------------|----------------------------|
| Clark County School District     | 71.50%                     | 70.91%                     |
| 1                                | 82.84%                     | 83.30%                     |
| 2                                | 77.66%                     | 80.34%                     |
| 3                                | 84.51%                     | 95.00%                     |
| 4                                | 72.52%                     | 74.14%                     |
| 5                                | 73.84%                     | 79.28%                     |
| 6                                | 89.66%                     | 93.07%                     |
| 7                                | 78.94%                     | 80.90%                     |
| 8                                | 59.23%                     | 67.93%                     |
| 9                                | 73.18%                     | 71.83%                     |
| 10                               | 78.12%                     | 83.89%                     |
| 11                               | 73.27%                     | 79.29%                     |
| 12                               | 72.82%                     | 79.21%                     |
| 13                               | 90.29%                     | 88.60%                     |
| 14                               | 57.57%                     | 65.85%                     |
| 15                               | 70.59%                     | 74.17%                     |
| 16                               | 78.29%                     | 81.15%                     |
| Education Services Division      | 21.25%                     | 20.17%                     |
| Innovative Learning Environments | 31.74%                     | 35.11%                     |
| Student Services Division        | 4.35%                      | 0.00%                      |

The 4 year cohort graduation rate is calculated by dividing the number of students in the Class of 2014 cohort who received a standard, advanced, or adult diploma by the total number of students in the cohort. The students in the cohort are determined by the students who started in 9th grade in 2010-11 plus those students who transferred in minus those who transferred out to another degree granting school.
