[Technology Integration Matrix \(TIM\)](#) – (link to Florida Center for Instructional Technology website)

[CCSD Instructional Technology](#) – (link to the CCSD Instructional Technology website)

Recommended App Lists:

[Learning in Hand](#) – (a link to a website blog by Tony Vincent)

A rubric to help teachers evaluate educational apps.

[Mindleap – educations apps for kids](#)

Mind Leap makes sure that parents and educators know which apps are educational and which aren't, which keep kids engaged and which bore them to tears.

[Best Kids Apps](#)

Got a new phone or tablet and kids just begging to play with it? Forget slogging through the entire internet to find the best kids apps. We've been there — we can help.

[Tech & learning – Ideas and Tools for Ed Tech Leaders](#)

Online digital magazine, tech forum, free webinars, etc.

e3 Project Standard App List:
