

CLARK COUNTY SCHOOL DISTRICT POLICY

1221

PARTICIPATION BY SCHOOL GROUPS IN PUBLIC EVENTS

- I. The Clark County School District recognizes that students gain valuable experience when they share their talents and skills with the community in public performances.
- II. The District endorses such performances when they constitute learning experiences that contribute to the educational program; do not unduly interfere with other scheduled activities of the school; do not pose a threat to the health, safety, and well-being of the students who will be involved; and do not tend to exploit students.
- III. Requests for public performances by students within Clark County require the approval of the principal; requests for performances outside Clark County require the approval of the principal and the regional superintendent.
