

CLARK COUNTY SCHOOL DISTRICT POLICY

1222

CONTESTS FOR STUDENTS

- I. The Clark County School District discourages the competition of Clark County School District student organizations against one another for awards in situations other than approved student activities and athletics.
- II. If activities involving awards to students are conducted by outside agencies, such competition and activities must offer educational value to participating students, be conducted fairly and in good taste, and be free from commercialism and inappropriate pressures.
- III. Such activities must be approved in accordance with standards established by the regional superintendent or designee.
