

CLARK COUNTY SCHOOL DISTRICT REGULATION

5135.3

PROGRAMS DURING SCHOOL TIME

- I. No programs or activities shall be allowed in the schools during school time when a charge is made for participation and only those who pay are allowed to participate. To assess fees for participation during school hours is contrary to the concept of free public education.
- II. In cases of outside activities of community wide interest, permission for dismissal of students should be contingent upon a written request and approval from parents.
