

Audiologist, Pre K–12

Position Details

Division: Human Resources

Classification: Certified

Terms of Employment: [This is a salaried position assigned to the Licensed Employee Salary Schedule, 9 Months](#)

FLSA STATUS: EXEMPT

Position Summary

The educational audiologist assesses students' functional listening ability to access auditory information in the classroom to link diagnostic information, educational accommodations, and program planning. Broad-based services include consultation, support for interventions, assessment and evaluation, advocacy, training, and professional development. The audiologist is expected to adhere to applicable federal and state laws and regulations (i.e., Family Educational Rights and Privacy Act (FERPA), Individual with Disabilities Education Improvement Act (IDEA), Nevada Administrative Code (NAC), and Section 504 of the Rehabilitation Act) as well as Clark County School District and department policies and procedures. This person will be expected to adhere to the District's *Professional Domains and Standards for Licensed Employees* and will report directly to a supervising Speech/Audiology Services Coordinator and/or Director.

Essential Duties and Responsibilities

The list of Essential Duties and Responsibilities is not exhaustive and may be supplemented.

1. Rule out, identify, and/or confirm auditory dysfunction.
2. Complete evaluations/reevaluations as required by Federal (IDEA) and state laws.
3. Assist the multidisciplinary team (MDT) in determining the appropriate eligibility of a student.

4. Participate in Individualized Education Program (IEP) development using the web-based IEP program utilized by the Clark County School District (CCSD).
 5. Provide appropriate services to support students in their academic programming by:
 - a) Providing audiology services to students using evidenced based practices;
 - b) Considering language and cultural differences of students;
 - c) Understanding current hearing aid, bone conduction, and cochlear implant technology and how they best interface with hearing assistive technology;
 - d) Determining hearing assistive technology needs of students;
 - e) Providing training to staff, students, and parents/guardians, as appropriate for use of hearing technology to meet education related needs and ensure communication access;
 - f) Working cooperatively with teachers and other specialists in a consultative role, as needed;
 - g) Providing information and assistance to parents/guardians;
 - h) Collaborating with community agencies and providers.
 6. Perform other duties related to the position, as assigned.
-

Position Expectations

1. Comply with and implement related federal and state laws and District policies, regulations, and procedures as related to Speech Language Therapy and Audiology services.
 2. Maintain confidentiality; utilize technology for email communication, data collection, documentation, and the development of written evaluation reports.
 3. Communicate effectively both written and verbally.
 4. Practice clear, concise, consistent documentation of workload and provided services as requested by the supervising Speech/Audiology Services Coordinator or Director.
 5. Demonstrate knowledge in the fundamental principles, research, trends, and evidence-based practices in the field of Educational Audiology.
 6. Work collaboratively with students, parents/guardians, colleagues, administration, and community members.
 7. Maintain and improve professional competence.
-

Position Requirements

Education and Training

An earned master's degree or Doctor of Audiology degree from an accredited college or university.

Licenses and Certifications

1. Must possess or be able to acquire by the time of appointment to the position, a Professional-Special License Ages 3–21 endorsement for Audiology issued by the Nevada Department of Education.
2. A valid driver's license or state-issued identification card.

Preferred Qualifications

1. American Speech and Hearing Association Certificate of Clinical Competence as an Audiologist.
2. Nevada Board of Examiners Audiology License.

When applying for a certificated licensed position, candidates must meet the minimum qualifications as listed on the appropriate position vacancy announcement.

AA/EOE Statement
