- 2-6 Entire Agreement

The parties acknowledge that during the negotiations resulting in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any and all subjects or matters not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement. Therefore, the Clark County School District and the Association each voluntarily and unqualifiedly waives the right, and each agrees that the other

shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in the Agreement, even though such subject or matter may not have been within the knowledge or contemplation by either or both of the parties at the time that they negotiated or signed the Agreement. ARTICLE 3 Impasse Proceedings

- 3-1 It is understood that if the parties fail to reach agreement as a result of direct negotiations, impasse proceedings may be invoked by either party in accordance with the provisions of NRS 288.215.

ARTICLE 4 Grievance and Arbitration Procedure

- 4-1 A grievance is defined as any dispute, which arises regarding an interpretation, application, or alleged violation of any of the provisions of this Agreement. A grievance may be filed by an Employee of the School District covered by this Agreement, individually or through the Association, or by the Association. A grievance will not include any matter or action taken by the School Trustees, or any of its agents, for which relief is granted by the statutes of Nevada.
- 4-2 The provisions of this Article are for the purpose of setting forth the full grievance procedure including the time limits relating to these procedures, which may culminate in arbitration.
- 4-3 Time limits indicated at each level of the grievance procedure set forth in this Article shall be construed as maximum and an attempt shall be made to expedite the process. The time limits set forth in this Article shall be waived at the end of the aggrieved Employee's regular assignment or when the aggrieved Employee is on an approved leave, unless the Employee, in the event the grievance was filed by the Employee, the Association, and the District mutually agree to observe the timelines specified in Article 4.
- 4-4 Extensions of the time limits may be requested verbally or in writing by either party. Verbal extensions shall be confirmed in writing by the party making the request within two (2) school days.
- 4-5 **STEP ONE: Informal Discussion:**
- (a) Both parties encourage Employees covered by this Agreement to resolve their problems with their Immediate Supervisor or the Appropriate Administrator whenever possible. The provisions of this Article are not intended to preclude an Employee with a potential grievance from informally discussing the problem with his/her Immediate Supervisor or the Appropriate Administrator prior to filing a formal grievance.
 - (b) If an Employee requests an informal discussion with his/her immediate Supervisor or the Appropriate Administrator concerning the subject matter of a potential grievance, such informal discussions will be held no later than thirty (30) School Days from the last day the alleged violation occurred.

- (c) It is understood and agreed that all aspects of such informal discussions, if any, which take place shall have no bearing or precedential effect on the resolution of that grievance or any similar grievance filed in accordance with this Article.
- (d) If a grievance is resolved as a result of an informal discussion, the Immediate Supervisor or Appropriate Administrator may reduce that resolution to writing prior to the termination of the time limits for filing a formal grievance. Any written resolution shall be acknowledged by both parties and forwarded to the Association and the superintendent's designee, Employee-Management Relations Office. The absence of such a written resolution shall serve as notice that the formal grievance procedure may be initiated.

4-6 All grievances shall be processed in the following manner:

STEP TWO

- (e) If the grievance is not resolved at Step One, the affected Employee, in the event a grievance has been filed by an employee, individually or through the Association, or the Association may submit the unresolved written grievance to the superintendent's designee, Employee-Management Relations Office, not later than the end of the time period set forth in Subsection (b) above. The Association or the Employee, in the event the grievance was filed by the Employee, may amend the statement of the grievance prior to the Step Two meeting.
- (f) In the event a grievance is filed at Step Two in a timely manner, the superintendent's designee, Employee-Management Relations Office, shall meet with the affected Employee (if there be one) and the designated representative of the Association within five (5) School Days after receiving the grievance.
- (g) In the event a grievance is not resolved at this meeting, the superintendent's designee, Employee-Management Relations Office, shall, within ten (10) School Days after the meeting, submit a written response to the grievance, to the aggrieved Employee and to the Association. Any resolution of the grievance in favor of the grievant shall be in writing and copies forwarded to both the aggrieved Employee and the Association.
- (h) If a grievance is either denied, or not resolved at Step Two of the grievance procedure, the grievance shall be deemed withdrawn with prejudice unless timely filed at Step Three, arbitration, in accordance with the provisions of Subsection (k) below.
- (i) If the superintendent's designee, Employee-Management Relations Office, fails to respond within ten (10) School Days as referred to in Subsection (g) above, or if a mutually agreed upon time extension is not agreed upon, the grievance shall be deemed in favor of the grievant.

STEP THREE

- (j) In the event the grievance is not resolved at Step Two of the grievance procedure, the Association not later than twenty (20) School Days may request that the matter be resolved by arbitration by filing a written demand for arbitration to the superintendent's designee, Employee-Management Relations Office.

The District and the Association shall establish a panel of nine (9) arbitrators from Federal Mediation and Conciliation Service (FMCS) from which an arbitrator will be assigned in the event the grievance is not resolved in Step 2 of the grievance procedure. By mutual agreement the parties may elect to hold an expedited arbitration.

An expedited arbitration will be defined as an arbitration with no court reporter, no written briefs; no lengthy opinion, just an award. Further, expedited arbitration decisions will not be precedent setting.

If the parties do not agree to an expedited arbitration, then the process will proceed to Step 4 of the grievance procedure.

STEP FOUR

(k) In the event of a request for formal arbitration rather than an expedited arbitration of an unresolved grievance, the parties shall utilize the established panel of arbitrators as outlined in Step 3.

- 4-7 The arbitrator shall not have the authority to modify, amend, alter, add to, or subtract from any provision of this Agreement. An arbitrator in the absence of the express written agreement of the parties shall have no authority to rule on any dispute between the parties other than one which qualifies as a grievance as defined in Section 4-1.
- 4-8 The arbitrator's decision shall be submitted in writing within thirty (30) School Days of the close of arbitration or submission of post hearing briefs, whichever comes later, to all parties and shall be final and binding on all parties to this Agreement unless the arbitrator exceeds the powers specified herein, or is guilty of procedural error prejudicing the rights of either party as defined by federal labor law decisions.
- 4-9 The expenses of any arbitration, including the arbitrator's fee, costs, expenses, and the cost of the arbitrator's transcript, shall be borne equally by the School District and the Association. However, all other expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expenses. It is understood and agreed only the Association has the right to request arbitration.
- 4-10 No reprisals of any kind will be taken by the School Trustees or by any member of the administration against any party because of filing a grievance or because they participated in the grievance procedure on behalf of the grievant and/or the Association. This provision shall not be construed as an agreement by the School District to pay the grievant or the association representative or any person present on their behalf for the time spent in processing a grievance in accordance with the provisions of this Article. The time for a grievance meeting must be approved by the superintendent's designee, Employee-Management Relations, and by the Association and/or the grievant. It may occur during or outside the workday. In the event a grievance meeting is scheduled and held during the workday, those employees covered by this Agreement who participate in such meeting may do so without loss of pay.
- 4-11 Grievances may be consolidated for purposes of arbitration by mutual agreement of the School District and the Association.
- 4-12 No provisions of this Article shall be construed to prevent any individual Employee covered by this Agreement from discussing any problem, dispute, or even a grievance as defined herein with any supervisor outside the presence of a representative of the Association. However, such discussion shall not relieve any party from compliance with other provisions of this Article in the absence of an express written waiver of such provisions.
- 4-13 In the event an Employee(s) exercises the right to individually process a grievance without assistance from the Association, the School District shall provide the Association:
 - (a) A written copy of the grievance, the name of the grievant to include job title, work site, and the name of the grievant's Appropriate Administrator.

- (b) An opportunity to be present at any meetings with the grievant(s).
- (c) Reasonable times to assert the Association's position in regard to the matter.
- (d) A written copy of the resolution of the grievance.

4-14 The parties hereby recognize the existence of policies and administrative regulations of the School District to which the Employees covered by this Agreement are bound, and which is subject to change by the School Trustees of the School District. The parties agree that any disputes arising under the application and/or administration of such policies or regulations relating to the subject matter not covered by the provisions of this Agreement shall be processed in accordance with Step Two of the grievance procedure set forth herein. If the dispute is unresolved after Step Two of the grievance procedure, the dispute may only be processed as follows:

4-14-1 The person initiating the dispute may refer the dispute to the Board of School Trustees with full knowledge of the Appropriate Administrator and/or the Superintendent. When a dispute is so referred the board or a committee of the board designated by the full board ("POA Article 4-14 Committee") shall meet and informally discuss the subject matter of the dispute with the person initiating the dispute and with representatives of the Association requested to be present by that person. Anyone who participated in any part of the denial process leading to the dispute being referred to the Board may not serve on the Board's "POA Article 4-14 Committee."

4-14-2 The superintendent or designee shall prepare a review of the case for the Board of School Trustees.

4-14-3 The Board of School Trustees shall make a decision and shall communicate it in writing within thirty (30) days after the final meeting on the dispute.

4-15 The District and the Association agree that all hearings shall be conducted in an orderly manner. Should a participant not conduct himself or herself in an orderly manner, either party could request a 30-minute recess.

4-16 The District and the Association agree that all District regulations and policies of conduct are in force during the hearing.

4-17 No precedent shall be set by the resolution of a grievance filed by an individual Employee unless the Association submits the matter to Step Three, Arbitration.

4-18 Arbitration Procedure

Effective July 1, 2015, for each grievable issue being appealed to arbitration, the District and the Association will jointly request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Services (FMCS) which they will strike until one (1) name remains. The Association shall strike the first name in the same manner as provided for in NRS 288.200[2.]

ARTICLE 5 Responsibility Clause

5-1 Any Employee who is officially assigned in writing by an Appropriate Administrator to perform the responsibilities of a regular position in a higher class, for the majority of a shift because of the absence of a Regular Status Employee shall, after five (5) consecutive days, five (5) days in a

three-month period, or eight (8) work days within the school year be granted retroactively a five (5), ten (10), or fifteen percent (15%) increase.

- 5-1-1 The percentage increase shall be determined by finding the Employee's current salary step and advancing on the step column toward the range of increased responsibility, not to exceed fifteen (15) percent. On any successive responsibility assignment to the same position in the higher class within the previous twelve (12) months, the Employee shall receive responsibility pay effective the first day of the assignment.
- 5-1-2 If the Employee is subsequently promoted from the responsibility assignment to the regular assignment, placement on the salary schedule shall be made in accordance with Regulation 4293 (Placement and Advancement on the Support Staff and School Police Salary Schedule).

21-3-2 POST certified police officers that have eight or more years experience shall be placed at Step F which provides 5 years of experience on the Police Officer's Salary Schedule.

21-3-3 Once an employee is placed on the salary schedule, consistent with this agreement, the employee will progress yearly from the anniversary date of hire one step each year, on the anniversary date of hire, until the top step is reached.

21-3-4 Swing and graveyard shifts pay a 25 cents per hour differential premium. Shift assignments are at the discretion of the District, and no property rights attach to any shift assignment.

Seniority date is determined by years as a Clark County School District Police Officer. When a Police Officer is promoted to Sergeant, the Sergeant's promotion date will be used for seniority in rank. Evaluation schedules are based on the Employee's Seniority date as a Clark County School District Police Officer.

Evaluations do not determine salary placement on the salary schedule. Annual salaries are based on twelve- (12) month years.

An employee promoted to Sergeant will serve a maximum one-year probationary period in that position. During that probationary period, the District will have the right to return the Employee to the position previously held.

ARTICLE 26
Employee Personnel Files

- 26-1 It is recognized by the parties that the School District may prescribe regulations for the custody, use and preservation of the records, papers, books, documents and property pertaining to the School District. However, to the extent that any records, papers, or other documents covering Employees of the Association do not relate to pre-employment data, every Employee shall be allowed to review the personnel file at any reasonable time upon request. No Employee's request shall be deferred for more than seven (7) School Days for a central office file and no more than two (2) School Days for a site location file excluding weekends and holidays. If any Employee is involved in a grievance regarding matters in the personnel file which may be material, an Association officer or other Association Representative with the written approval of the Employee may also be granted access to the Employee's personnel file at reasonable times where such access is authorized in advance by the Employee. The District shall provide copies of all legally permissible information pertinent to the grievance.
- 26-2 A copy of each written report, comment, or reprimand concerning an Employee which the School District places in the Employee's personnel file shall be provided that Employee. The Employee must sign the personnel copy of the report, comment, or reprimand as directed as acknowledgment of receipt of a copy of the document. Such signature may not be construed as agreement to the contents of the document.
- 26-3 Any written response by the Employee to any written report, comment, or reprimand will also become a part of the Employee's personnel file and will remain a part of said file as long as the report, comment, or reprimand responded to remains a part of the file. In order to insure that the response is not inadvertently overlooked, the Employee will note under his or her signature on the report, comment, or reprimand at the time the response is delivered that a response has been made and the document will be countersigned by the receiving administrator and shall be attached to the supervisor's document. If an Employee desires to make a written response to any written report, comment, or reprimand issued by the Immediate Supervisor or Appropriate Administrator, the Employee's response must be made within twenty (20) Work Days. Upon written request of the employee, a waiver of the time limits by the Appropriate Administrator, not to exceed twenty (20) Work Days, may be granted, which will not be unreasonably withheld.

When a copy of the Immediate Supervisor's or Appropriate Administrator's written document is forwarded to any other location, a copy of the Employee's written response must be attached.

- 26-4 Upon review of the personnel file, an Employee may respond to documents, comments, or reprimands contained therein that the Employee believes to be inaccurate. The Employee's response shall be directed to the superintendent's designee. If upon investigation by the superintendent's designee it is determined that the Employee's response is accurate, the response shall become part of the Employee's personnel file or the comment, document, or reprimand in question may be removed by the superintendent's designee. The determination as to whether the Employee response is accurate and whether said response shall become part of

the Employee's personnel file or the comment, document, or reprimand in question shall be removed are determinations that shall be grievable. The Performance Evaluation Report shall remain a permanent part of the Employee's personnel file. If it is determined that the information contained within the evaluation is not substantiated as factual, the District shall replace the evaluation with a corrected copy.

- 26-5 It is the School District's intention that work rules, policies, and procedures are to be interpreted and applied uniformly to all employees under similar circumstances.

**Article 27
Seniority**

- 27-1 The District and the Association agree that "department" seniority is an important factor to be considered in shift and campus assignment(s).

The District maintains the right to assign or transfer employees, but excluding the right to assign or transfer for discipline.

Annually (on June 1st), the District agrees to create (establish) and make available a seniority list of Police Officers and Sergeants based on initial hire dates, promotion dates and other District practices. Once the list has been posted police officers and sergeants shall have thirty (30) working days from the date of such posting to challenge placement on the list. When all challenges are resolved the District and the Association shall certify by signature that the list is correct. The seniority list will stand as conclusive evidence of each person's seniority until the establishment of the next annual seniority list posted in the first week in June.

Seniority shall only be broken by resignation, retirement, or voluntary separation of employment.

Where two (2) or more employees were hired or promoted on the same date, seniority will be based on the alphabetical listing of the last name.

The District will post all vacancies as they occur. Employees may apply for any vacancy.

**ARTICLE 28
Reduction in Force**

- 28-1 The School District retains the right to determine when a reduction in force/layoff is necessary, the number of individuals whose employment must be terminated, and the areas within which such reductions in force will occur.

- 28-2 Subject to the determinations set forth in 28-1 above, the School District agrees to the following:

28-2-1 Employees who resign or who volunteer to leave will be the first to be reduced in force.

28-2-2 The School District will identify the number of surplus positions. Except as otherwise provided below for sergeants, those Employees with the least seniority will be the first to be identified as surplus Employees. Employees who are laid off may elect to be placed in a vacant support staff position in accordance with their qualifications at lateral or lower pay ranges provided that there are no support staff Employees having priority for the vacant position. An Employee who does not accept an available position will be subject to established selection procedures.

- (1) If the sergeant position is affected by a reduction in force, the first sergeant to be reduced in force shall be any sergeant who was rated unsatisfactory in the last contract year, regardless of seniority. If more than one sergeant was rated

unsatisfactory in the last contract year, seniority shall be used to determine the order of reduction among those sergeants who were rated unsatisfactory in the last contract year, with the least senior being reduced first.

- (2) If after applying the provisions of subsection (1) above, additional sergeants need to be reduced in force, the next sergeant to be reduced in force shall be any sergeant who received a disciplinary suspension within the last two (2) contract years. If more than one sergeant has received a disciplinary suspension within the last two (2) contract years, the sergeant who had more suspension time shall be the first to be reduced. If two or more sergeants had the same amount of suspension time, seniority shall be used to determine the order of reduction among those sergeants, with the least senior being reduced first.
- (3) Any sergeant who is reduced in force shall be allowed to return to the position of police officer, provided that the sergeant has more seniority than any police officer the sergeant would displace/bump.

28-2-3 Employees who are laid off and do not receive a support staff position shall receive priority for substitute assignments at the current substitute rate of pay, and shall be on substitute status and will be employed in accordance with School District regulations for substitute or temporary employees.

28-2-4 District-wide seniority shall be based on the original date of hire or on an adjusted hire date. The original date of hire shall be defined as the first day that the Employee reported to work as a Regular Status Employee for pay. The adjusted hire date shall be determined by subtracting time not spent in regular active service from the original date of hire or from the most recently adjusted hire date.

28-2-5 Any additional Employees to be reduced in force from the area or areas affected shall be determined by the School District using the following criteria in identifying the least senior employee who will next be reduced in force:

Seniority:

- (1) In the Clark County School District (district-wide seniority)
- (2) As an Employee in current position
- (3) The president and vice-president are exempt from layoff during their elected term of office.

28-2-6 Employees who are reduced in force may be placed in a position in accordance with their qualifications whenever possible.

28-2-7 When a vacancy occurs similar to the one, which was vacated, the Employee will be reinstated. When vacancies are available which are different from the last position held by the Employee, he or she may apply for that position through normal procedures.

28-2-8 If an Employee is not reinstated to a position within two (2) Work Years, the School District's obligation to reinstate the Employee will cease after that period of time.

28-2-9 Notice should be provided to Employees that a program will be discontinued by May 1 or prior to the close of the School Year, whenever possible.

28-2-10 Within twenty (20) Working Days of the District's knowledge of discontinuation of a program, notice shall be provided to the affected Employees.

Notwithstanding any other provision of this Agreement, the Employee share of any future PERS rate increase shall be paid by the Employee, which will be done by reducing the salary schedule the equivalent of one-half ($\frac{1}{2}$) of the total PERS rate increase on the effective date of the PERS rate increase unless the parties agree to a different method for payment of the Employee share of the rate increase through negotiations, which may occur after implementation of the salary schedule reduction.

- 30-5 The District will abide by all PERS policies and regulations.
