Las Vegas, Nev. – The Clark County School District hosts a series of meetings this month to obtain residents’ input on the strategic plan, a document that will help guide the district in the coming year and beyond.

| | | |
|---------------------|-----------------|---|
| Monday, March 24 | 5:00-7:00 p.m. | Del Sol High School, 3100 East Patrick Lane, Las Vegas |
| Tuesday, March 25 | 9:30-11:30 a.m. | Northwest Career & Technical Academy, 8200 West Tropical Parkway, Las Vegas |
| Wednesday, March 26 | 7:00-9:00 p.m. | Durango High School, 7100 West Dewey Drive, Las Vegas |
| Saturday, March 29 | 9:00-11:00 a.m. | Sedway Middle School, 3466 Englestad Street, North Las Vegas |

Following a brief overview of the plan’s vision and direction, a discussion session will gather participants’ input about what they want the district to achieve in the areas of school climate, student achievement and community participation. A steering committee has guided the process so far, and the public input process is viewed as one of the most crucial steps in the plan’s development.

The strategic plan will also be the topic of the next School Matters program on Vegas PBS on Thursday, April 3, when callers can pose their topic-related questions to the board. See www.ccsd.net for more information.
