New Teacher Welcome Center opens for new hires *Veteran educators extend greetings and support*

Las Vegas, Nev. – The New Teacher Welcome Center is open July 7 through August 8 to new teachers in the Clark County School District. The center is located in the library of the Curriculum and Professional Development Center, 3950 S. Pecos-McLeod. The New Teacher Welcome Center staff will be available to assist all newly hired teachers Monday through Friday from 9 a.m. to 3 p.m.

Throughout the past decade, the New Teacher Welcome Center has greeted new teachers to the district and the education profession. New teachers are encouraged to visit the center, which provides practical assistance in finding roommates and housing, resources for establishing utilities and information about motor vehicle registration. Teachers new to the field can also meet veteran educators who answer questions regarding the district, the teaching profession and the community.

Local community representatives from the Silver State School Credit Union and The Clark County Education Association will also be available to assist new teachers with varied needs.
