## **I-15/F Street Closure to be Permanent**

*F Street Traffic to be re-routed to D Street via New Connector*

As a part of the ongoing I-15 North project that will widen the Interstate and reconstruct critical on- and off-ramps, crews will demolish the I-15 bridge at F Street. Work will begin at 11:30 p.m. on Sunday, September 7<sup>th</sup>. Access under the freeway will be permanently inhibited and a retaining wall with earthen fill will be in place. Traffic will be re-routed onto a connector road from F Street to D Street on the east. The closure will result in a cul-de-sac on the west side of the freeway.

For more information on the I-15 North Design-Build project including traffic alerts and photos, visit [www.i15project.com](http://www.i15project.com).
