School district welcomes new teachers with exciting events *Welcome center and orientations designed to help recent hires*

LAS VEGAS – The Clark County School District welcomes all new teachers to the New Teacher Welcome Center, through Friday, August 7, and to a pair of New Licensed Employee Orientations on Wednesday, August 12 and Thursday, August 13. The events are designed to help familiarize new teachers with the district and resources available to them in the community.

New Teacher Welcome Center staff is available to assist all newly hired faculty members from 9 a.m. to 3 p.m. during each day of operation. New teachers are encouraged to visit the center, which throughout the past decade has greeted new hires to the district and the education profession with practical assistance in finding roommates and housing, resources for establishing utilities and information about motor vehicle registration. Teachers new to the field can meet veteran educators who answer questions regarding the district, the teaching profession and the community. Local community representatives from the Silver State Schools Credit Union and The Clark County Education Association will also be available to assist new teachers. The Welcome Center is located in the library of the Curriculum and Professional Development Center, 3950 S. Pecos-McLeod.

Additionally, teachers are invited to attend the New Licensed Employee Orientation on Wednesday, August 12 and the New Licensed Employee Curriculum Orientation on Thursday, August 13. The orientations provide opportunities for teachers to become acquainted with curriculum, district resources and important information to assist them in having a successful first year of teaching. Both orientation events will be held from 8 am to 3:30 pm, at Coronado High School, located at 1001 Coronado Center Dr., Henderson.
