

CAMPUS PORTAL FAQ

What is the Campus Portal?

Campus Portal is a confidential and secure Website providing parents/guardians and students access to real-time student information, such as; attendance, grades, assignments, schedules, etc. The portal also displays announcements and allows course selection for the next school year. With parental input and assistance from their counselor, students will create an Academic Plan to track progress toward graduation.

When may I access the Campus Portal?

The Campus Portal will be available to parents/guardians on September 30, 2014. Limited access (grades, attendance, and schedule) to the portal will be available to students on September 5, 2014.

May I access Campus Portal from anywhere (i.e. home, work, library, etc.)?

Yes, Campus Portal may be accessed from any computer or mobile device if you meet the minimum computer and internet access requirements.

What information is included in the Campus Portal?

Logging into the Campus Portal will allow you to view the following real-time information regarding your child(ren):

- Demographics
- Schedules
- Assignments
- Assessment Scores (TBA)
- Calendar
- Grades
- Attendance
- Graduation Progress
- Academic Planner
- To Do Lists

Campus Messenger allows communication between staff, students, and parent/guardian via the Process and Portal Inbox and Email.

How do I create a user account so I may use the Campus Portal?

Students will be issued username and passwords from their school site. Parents will be mailed an initial activation key to enable access to the Campus Portal.

How do I access the Campus Portal?

Enter: *campusportal.ccsd.net* in your web browser. Using the credentials provided, you may gain access.

How may I get help navigating the system?

For step-by-step directions on how to use the Parent Portal please visit *ccsd.net*. Select the Infinite Campus tab.

What happens if I forget my username/password?

CCSD has enabled a Password Reset functionality. You may recover your username/password using the **Forgot Your Password?** or **Forgot Your username?** links found on the Campus Portal login page. Users must have a valid email address established in the system. Users with an invalid email address will be unable to finish the password recovery process.

I didn't receive, or lost the letter with the activation key. What should I do?

Contact your child's school. Designated staff can help you with your questions following verification of your identity.

How do I add/change/correct my email address?

You may update your email address at any time using the Campus Portal Account Management tool.

What if I have questions about my child's grades, attendance, assignments, etc. found on the Campus Portal?

The first contact is your child's teacher or school counselor.

Can anyone else see my child's attendance, grades, etc.?

No. Keep your username and password safe. If you think your account has been compromised, please go to the Account Management link and change your password. All attempts at logging into the system are recorded and monitored. A full audit trail is tracked. You may view the audit trail at any time when logged into the system by going to the Access Log link. Students are able to see their own information. Students should not share their personal information with other students.

What is a CAPTCHA?

Users who incorrectly log into their account multiple times will be required to enter a CAPTCHA each time they attempt to log in. This feature prevents users from being locked out of their account after several failed login attempts. See sample below:

What is Infinite Campus?

Today, all K-12 school districts use a database system for managing student information and maintaining student records. Infinite Campus is a district-wide student information system designed to manage attendance, grades, schedules, assessments, and other information about the students in the Clark County School District (CCSD). Infinite Campus will replace the SASI student information system.
