Grade and Citizenship Policy

Foreign exchange students are required to make adequate academic progress in all classes. If a student's grades fall below a C, the student will be placed on probation. This requires the organization to provide tutoring services for the student. If the student continues to earn grades below the minimum GPA required, the organization will be required to withdraw the student from CCSD.

Students are expected to demonstrate appropriate behavior and citizenship in all classes as well as excellent attendance. If a student's citizenship grades and attendance "Needs Improvement" or is "Unsatisfactory", the student will be placed on probation. If the student continues to earn low citizenship grades or exhibit poor attendance patterns, the sponsoring organization will be required to withdraw the student from CCSD.
