For more information about CCSD Athletics, including schedules, eligibility requirements, and to request a new sport or a new level of a sport, please visit ccsd.net and choose Athletics/Activities in the students section (<http://ccsd.net/departments/instructional-support-student-activities/athletics>) or visit the athletic office at the school.

Students attending a CTA high school or a magnet high school should contact their geographically-zoned schools for information about participation in sports.

BENEFITS OF PARTICIPATION IN SPORTS

- Improved physical health and fitness
- Higher self-esteem
- Stronger sense of community and purpose
- Consistent time spent with an adult mentor
- Increased academic performance in the classroom

TITLE IX INFORMATION

The Clark County School District continues its ongoing commitment to ensure that the District's programs, activities and services comply with Title IX of the Education Amendment of 1972 and to provide equal opportunity to students. Specific concerns raised by employees, students, or parents regarding athletics or activities should be directed to the Executive Director of Instructional Support and Student Activities at 799-8493. Concerns may also be addressed through the Parent Concern Form process.
