Come Work With Us

The Purchasing Department

The Clark County School District purchases goods and services for an ever growing number of schools and students. The centralized purchasing function purchases on behalf of schools in Las Vegas, North Las Vegas, Henderson, Laughlin, Boulder City, Virgin Valley, Indian Springs and Moapa Valley. The District purchases supplies, equipment, and services to support schools, administrative buildings, food service, transportation, facilities, and other District operations.

The Purchasing Department continues to strive to build supplier relations in all communities including suppliers of MBE and WBE designation.

Frequently Asked Questions

How can I get on the bid list?

A: Onvia DemandStar publishes CCSD and other government bid opportunities. If you wish to enroll for CCSD only, it is free. To enroll, call 1 (800) 711-1712.

How can I find CCSD bids?

- A:** Bids and RFPs are posted four ways:
1. In the Las Vegas Review Journal on Wednesdays.
 2. On the bulletin board in the Purchasing Department. Please stop by!
 3. On our website: <http://pur.ccsd.net>
 4. Faxback System: To order a document, call (702) 799-6117.

What opportunities exist for craftsmen on the construction of new schools?

A: All trades are welcome to apply for tier two and tier three opportunities under the general contractor. CCSD builds on average 10 new schools each year. For more information on these opportunities, please call our Facilities Department.
