STEP 5:

Upon opening of booth, the Fire Department will visit your booth and issue your Fire Department Permit. This must be posted in your booth. You must send a copy of this permit to the Risk and Environmental Services to complete your paperwork. **THE PRINCIPAL MUST ENSURE THAT ALL DOCUMENTS AND TRAINING HAVE BEEN COMPLETED.**

NOTE A: Training and Inspections

- * All groups must follow the "Approved Guidelines for Fireworks" established by the Southern Nevada Fire Chiefs Association (SNFCA), **including no children under 14 years of age in the booth.**
- * All volunteers must have training from the firework vendor and sign a log noting their attendance and training.
- * All fireworks stands must be inspected by the local fire department.

NOTE B: Insurance Coverage In Effect

- * General Liability Insurance Coverage including bodily injury, personal injury, and property damage in the amount of \$1,000,000 per occurrence must be kept in-force during the entire event from set-up to conclusion.
- * The vendor usually provides this and it is paid from gross sales receipts.
- * The Risk and Environmental Services will be the final authority in determining if insurance coverage is adequate.
