

Quick Reference: Search for Students with Disabilities at a School

1. Select a school from the School dropdown, select the Search tab from the Navigation Panel on the left, then click **“Advanced Search”**.

2. From the Campus Search window, select **“1: Yes”** as the Special Ed Status. A disability category can also be selected, or left blank. In this example, **“SL: Speech/Language Impairment”** is selected.

The student’s names will display in the Navigation Panel on the left hand-side.
