

Infinite Campus Essentials

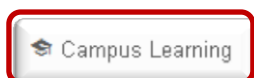

Accessing Campus Learning & Campus Community from CCSD Infinite Campus

Campus Learning contains customized curriculum based on your tool rights. Campus Community provides support resources such as documents, videos, simulations, and blog communications.

Click the **App Switcher**  to view these links.

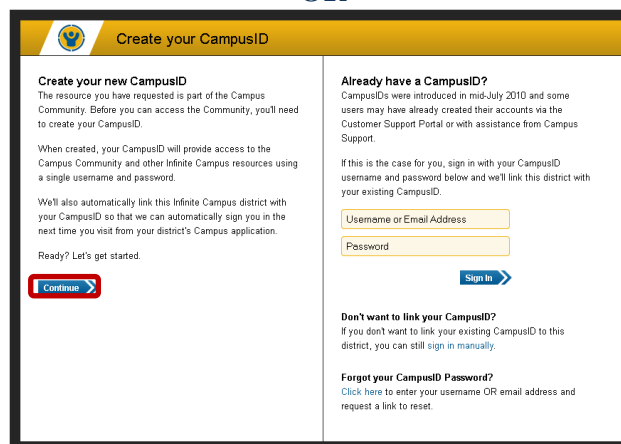

You currently have three attempts on the quizzes in Campus Learning.

Your first time only! From the **Create your Campus ID** window, click the Continue  button on the left side, under the Create your new CampusID. Read and accept the user agreement. Create a user ID and password.

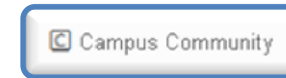

Now you have access to **Campus Learning**. Your userid and password are linked to the application, so you will not have to complete this process again when you access Campus Learning.

OR

Note:

Creating your user information for one will create it for the other.

Your first time only! From the **Create your Campus ID** window, click the Continue  button on the left side, under the Create your new CampusID. Read and accept the user agreement. Create a user ID and password.

Now you have access to **Campus Community**. Your userid and password are linked to the application, so you will not have to complete this process again when you access Campus Community.
