Goals and Objectives

Goal 1

Increase Grade 3 proficiency rates in reading.

Objective(s):

Increase the percent of 3rd grade students proficient in reading from 46.3% to 53.6% by 2016 as measured by state assessments.

Goal 2

Reduce the overall achievement gap percentage points between highest performing and ethnic/racial subgroups in both reading and math.

Objective(s):

Reduce the math proficiency gap from 28.5 to 23.8 and reduce the reading proficiency gap from 23.9 to 20.2 by 2016 as measured by state assessments.

Goal 3

Increase the percentage of school-based personnel trained in cultural competency.

Objective(s):

100% of staff will participate in a mandatory cultural competency professional development session during the 2015-2016 school year.

School Communication Efforts

Robert Taylor is very fortunate to be able to provide our families with a Title I Family Engagement Center (FACES). This year the program offered 33 classes. Seventy-six parents have attended the University of Family Learning, logging more than 800 hours. Monthly newsletters are sent home from the school in collaboration with FACES to communicate upcoming events and important information. The Infinite Campus portal is available to all parents for viewing student attendance and progress with computers available at the school for family use. Many teachers use the Class Dojo behavior tracking program that utilizes two-way communication with parents through text or email. Progress reports are sent home every 3-4 weeks and parent conferences were held in December.

Per-Pupil Expenditures 2014-2015

The Nevada Department of Education in consultation with In\$ite adjusted the formula used to calculate per pupil expenditures beginning with the 2009-2010 Annual Reports of Accountability. Therefore, we have two appropriate comparisons sets; comparisons 2003-04 SY through 2008-09 SY and comparisons of 2009-10 SY and forward.

Clark Total Cost Per Pupil = \$8520 District Total Cost Per Pupil = \$8785
