Clark County School District, Magnet/CТА Application, 2012–2013 School Year

Please retain a copy of application(s) for your records.

By signing below, I acknowledge my understanding of the following conditions for this application:

Secondary school eligibility may be determined by a variety of factors such as academic performance, attendance, conduct, and extracurricular activities.

When the number of qualified student applicants to a Magnet/CТА program exceeds the number of seats available, a random selection process (lottery) will be utilized to accept qualified applicants.

As part of the application process, a percentage of open seats are given to 1st choice selections for geographic area, siblings, feeder school alignment, and CTA transportation zone. Second and third choice selections do not receive preference.

Students who apply for Magnet/CТА programs must be accepted by more than one Magnet/CТА. They may only accept one invitation, and will be removed from other school’s alternate list.

Applicants are allowed to choose a maximum of THREE (3) PROGRAMS.

Ask your parents to read and sign the AGREEMENT OF UNDERSTANDING giving their permission for your application to be screened for admission to the magnet program and acknowledging their understanding that you must demonstrate acceptable performance in order to remain in the Magnet/CТА program.

The Magnet/CTA district’s Magnet/CТА students must reside within Clark County School District boundaries at the time of enrollment.

This application is valid for the 2012–2013 school year.

If selected and registered, students are expected to remain in the program for the entire academic year.
