THE VISION OF THE BOARD OF SCHOOL TRUSTEES

All students progress in school and graduate prepared to
succeed and contribute in a diverse global society.

The Board of School Trustees recognizes that its deliberative process benefits greatly from public input and perspective. Prior to each agenda item being voted on, members of the public are allowed to speak on the item after the Committee's discussion and prior to their vote. Customarily, speakers will be called in the order in which they signed up. No person may sign up for another individual. No person may yield his or her time to another person. Generally, a person wishing to speak on agenda items will be allowed three minutes to address the committee. In those situations where large groups of people desire to address the board on the same matter, the chair may request that those groups select only one or two speakers from the group to address the Board on behalf of the group. The Board reserves the right to waive or alter this procedure if the Board is warranted by the circumstances of any particular meeting.
