CLARK COUNTY SCHOOL DISTRICT SEX EDUCATION ADVISORY COMMITTEE

INTRODUCTION

The Sex Education Advisory Committee By-laws were developed within the context of Nevada Revised Statutes (NRS) 389.065 and Clark County School District (CCSD) Policy and Regulation 6123. Related documents include the *Sex Education Operational Guide for K–12 Curriculum Development*, the *CCSD Approved Sex Education Materials Database*, and K–12 curriculum documents.

SEX EDUCATION ADVISORY COMMITTEE ORGANIZATION AND OPERATIONAL BY-LAWS

I. PHILOSOPHY

A sex education curriculum is most meaningful if it is sensitive to community needs. Pursuant to NRS 389.065, each board of trustees of a school district must establish a course, or unit of a course, in sex education and related matters. To ensure a well-balanced program that allows for the varied values and standards each student brings to the classroom, the law also requires the establishment of a community advisory committee. This committee provides a forum for input on sex education instructional materials and the exchange of ideas between community stakeholders and the school district.

II. MEMBERSHIP

A. Members

1. Section 389.065 of the Nevada Revised Statutes requires the establishment of an advisory committee. “Each Board of Trustees shall appoint an advisory committee consisting of:
 - a. Five parents of children who attend schools in the district; and
 - b. Four representatives, one from each of four of the following professions or occupations:
 1. Medicine or nursing
 2. Counseling
 3. Religion
 4. Pupils who attend school in the district; or
 5. Teaching.”

2. The Board of School Trustees Office will post vacancies and an application on www.ccsd.net when positions become available on the advisory committee. Applications for Sex Education Advisory Committee membership will become a matter of public record. The public meeting agenda for the Recommending Committee meeting will be noticed and posted to the public. The applications will be discussed in the open meeting by the Recommending Committee which consists of two Board of School Trustees and one CCSD staff member designated by the superintendent. The public will be allowed to make comments regarding applicant qualifications. After public comments are heard, recommendations for new committee members will be decided upon at the Recommending Committee meeting and recommended to the Board of School Trustees for final approval. An attempt will be made to maintain a balance of membership based on diversity and Board of School Trustees District Areas.
3. Members will serve a two-year term.
4. Members may be reappointed at the discretion of the Board of School Trustees but must submit a letter of intent indicating interest to serve another term.
5. Members will regularly attend all meetings. Any member of the committee who is absent from three consecutive meetings without justified reason, as determined by the committee chairman, Board of School Trustees Sex Education Advisory Committee liaison, or Instructional Design and Professional Learning Division liaison, will be asked to resign from the committee.
