Board of School Trustees

CLARK COUNTY SCHOOL DISTRICT

A Board affiliated committee is composed of liaisons and may include one or more Trustee members participating in the committee(s).

1. The President shall make the following appointments (Trustees) or liaisons (non-Trustees), including:
 - A. Clark County School District (CCSD) committees.
 - B. Boards/committees created by statute (with the exception of the Southern Nevada Regional Planning Commission (SNRPC) and the Debt Management Commission.
 - C. National or State School Board affiliates with the exception of the Nevada interscholastic Activities Association (NIAA) Board of Control.
 - D. National or local Boards/committees on which the Board traditionally participates.
2. Appointments to Boards and committees created by statute, National or State School Board affiliates or local boards and committees on which the Board traditionally participates must be made according to the governing policies regarding Trustee service on committees as described in GP-3: Board Responsibilities and GP-14: Board Committee Principles. The bylaws and/or procedures manual and/or any changes to the bylaws and/or procedures manual of such committees must adhere to policies regarding Trustee service on committees and Board committee principles, and must be approved by the Board. The construction and posting of the agenda, as well as the meeting minutes for these meetings will be the responsibility of the organization for which the committee or board was created.

3. If the committee is a Board Committee, the Board is responsible for providing ongoing training in governance issues. Also, individual Board members assigned by the Board President to committees should report to the full Board on a regular basis. Board liaisons and members should not speak to issues that have not been officially decided by the Board. Recommendations or proposals from advisory committees must be processed as outlined in GP-10: Construction of the Agenda.
