

**Thursday, August 14, 2008**

**Agenda Items:**

**Title I Homeless Outreach Program for Education (HOPE) – McKinney-Vento Homeless Education Assistance Improvement Act of 2001** – The board voted to continue to implement Title I HOPE program through the McKinney-Vento Homeless Education Assistance Act of 2001. Focus will be in transportation.

**Gaining Early Awareness and Readiness for Undergraduate Program (Gear Up)** – Trustees approved the authorization to submit and implement Gear Up.

**Presentations & Guest Speakers:**

**Special Presentation** – Dr. Rulfes honored Shirley Barber, Ruth Johnson and Mary Beth Scow with a plaque and a PowerPoint® presentation thanking them for their 12 years of service as Clark County School District Trustees.

**Maintenance Work Order System** – Cyndi Atterberry, Coordinator III, Work Management Center, Maintenance Department, gave a presentation on the Maximo system used to track work orders in the district, including the impressive cost savings/avoidance since implementation and ISO certification.

**School-to-Home Communications** – Presentation on the school-to-home communications system – **ParentLink** was given by Dr. Phil Brody, Assistant Superintendent, Technology and Information Systems. For more information please contact your school or go to [ccsd.net](http://ccsd.net).

**Seventh-Grade Immunizations** – Diana Taylor, Director, Health Services gave an update to the board regarding the new Tdap vaccine which is now required by the Nevada State Board of Health. All students entering the seventh grade must have this vaccine prior to the first day of school. Tdap vaccine protects against tetanus, diphtheria and pertussis, or whooping cough. For more information, visit [ccsd.net](http://ccsd.net) or call 799-7443.
