PUBLIC COMMENT PERIOD

Rick Baldwin stated it has been a challenging, exciting zoning season, including zoning four new elementary schools, three new dedicated magnet programs requiring dissolving attendance boundaries of one elementary and two middle schools and one school closure.

SCHOOL ZONING FOR THE 2018-2019 SCHOOL YEAR FROM JAMES H. BILBRAY ELEMENTARY SCHOOL, HENRY AND EVELYN BOZARTH ELEMENTARY SCHOOL, MARSHALL C. DARNELL ELEMENTARY SCHOOL, WILLIAM AND MARY SCHERKENBACH ELEMENTARY SCHOOL, AND SANDRA LEE THOMPSON ELEMENTARY SCHOOL TO KENNETH DIVICH ELEMENTARY SCHOOL.

Rick Baldwin stated Agenda Items 3.10, 3.11, and 3.12 establish an attendance boundary for the new Shirley A. Rick Baldwin stated Agenda Items 3.15 and 3.16 eliminate the attendance boundary of Fyfe Elementary School for closure at the end of 2017-2018 as part of the District's replacement school strategy; Griffith Elementary School will be replaced, opening in the 2019-2020 school year. Mr. Baldwin stated while the new school is under construction, students will be housed at the Fyfe Elementary School campus for the 2018-2019 school year. Mr. Baldwin stated students currently assigned to Fyfe Elementary School will be reassigned to Griffith Elementary School, Reed Elementary School, and Vegas Verdes Elementary School, the latter two receiving building additions for the 2018-2019 school year.

Rick Baldwin stated the recommendation does include phasing.

Motion by the Board of School Trustees to accept the recommendation to reassign the area as described in Agenda Item 3.17 from Lawrence and Heidi Canarelli Middle School to Wilbur and Theresa Faiss Middle School.

SWAINSTON MIDDLE SCHOOL TO BRIAN AND TERI CRAM MIDDLE SCHOOL.

Rick Baldwin stated Agenda Items 3.18, 3.19, and 3.20 are the result of a grant received for Lied Middle School to convert to a dedicated S.T.E.M. academy, requiring a phased reassignment of students currently assigned to Lied Middle School; additionally, the recommendation will provide feeder school alignment between elementary and middle schools.

Public Hearing

None.

Trustee Chris Garvey thanked staff for their work on this, facilitating one of the first magnet schools in District B.

Trustee Kevin Child asked if the magnet program could be S.T.E.A.M. adding arts to the programming.

Superintendent Pat Skorkowsky stated it is a school decision, however he believes the school does wish to implement arts into the program. Superintendent Skorkowsky stated the grant verbiage must be reviewed before change can be made, but he anticipates it will be added.

Superintendent Pat Skorkowsky stated he received clarification from staff regarding the dedicated S.T.E.M. magnet program that the grant specifies S.T.E.M., as the U. S. Department of Education does not recognize S.T.E.A.M. at this time, however it can be done at the district level.

SCHOOL ZONING FOR THE 2018-2019 SCHOOL YEAR FROM THURMAN WHITE ACADEMY OF THE PERFORMING ARTS MIDDLE SCHOOL TO B. MAHLON BROWN ACADEMY OF INTERNATIONAL STUDIES JUNIOR HIGH SCHOOL, LYAL BURKHOLDER MIDDLE SCHOOL, HELEN C. CANNON JUNIOR HIGH SCHOOL, FRANCIS H. SILVESTRI JUNIOR HIGH SCHOOL, AND FROM CHARLES A. SILVESTRI JUNIOR HIGH SCHOOL TO DEL E. WEBB MIDDLE SCHOOL, AND FROM DEL E. WEBB MIDDLE SCHOOL TO BOB MILLER MIDDLE SCHOOL.

Rick Baldwin stated Agenda Items 3.23 through 3.29 made up the most contentious area for AZAC this year. Mr. Baldwin stated it hinges upon the phased implementation of a full performing arts magnet program at White Middle School, requiring its attendance boundary be dissolved; additionally, AZAC attempted to improve feeder school alignment throughout the area. Mr. Baldwin stated there were other areas included in the proposals taken to the public input meeting; those were the most highly disputed areas, and AZAC chose to not move them forward. Mr. Baldwin stated that Area B in Agenda Item 3.23 is overridden in Agenda Item 3.30, a staff recommendation. Mr. Baldwin explained that the proposals taken to the public only showed Area B being assigned to Brown Junior High School, prohibiting AZAC, according to their by-laws, from changing their assignment when the surrounding area was not assigned to Brown Junior High School.

#### Public Hearing

Richard Ealey, addressing Agenda Item 3.23, asked if Jack and Terry Mannion Middle School is affected by the recommended changes.

Rick Baldwin stated the Jack and Terry Mannion Middle School is not included in the recommendation.

Trustee Deanna Wright stated she is aware of the extreme amount of work that went into these recommendations, driving the areas, listening to parental input, and reworking the maps again and again; Trustee Wright expressed her appreciation of all the effort involved and thanked her appointees, Dave Flatt and Mallory Levins, as well as the entire commission.

Motion by the Board of School Trustees to accept the recommendation to reassign the areas as described in Agenda Items 3.23, 3.24, 3.25, 3.26, 3.27, 3.28, and 3.29 from Thurman White Academy of the Performing Arts Middle School to B. SCHOOL ZONING FOR THE 2018-2019 SCHOOL YEAR STAFF RECOMMENDATION FROM THURMAN WHITE ACADEMY OF THE PERFORMING ARTS MIDDLE SCHOOL TO FRANCIS H. CORTNEY JUNIOR HIGH SCHOOL.

Rick Baldwin stated in the original recommendation this small area, with an average of 15 students per year, was to be assigned to Brown Junior High School. Mr. Baldwin stated AZAC rules prohibit changing a recommendation without prior notification of the public. Mr. Baldwin explained this would create a very small island of students being reassigned from the White Academy to Brown Junior High School, surrounded by an area reassigned to Cortney Junior High School. Mr. Baldwin stated Area B is an extended stay hotel with an average of 15 students per year; however, as of winter break 90% of those students have moved out of the hotel and are attending other schools.

Trustee Carolyn Edwards asked if an attempt was made to obtain public input from those residing in the area.

Rick Baldwin stated there was not; the two students remaining in the facility will certainly relocate themselves before next school year due to the temporary nature of the hotel.

Trustee Linda Cavazos expressed her thanks to the commission, citing her representatives Cyndy Mahoney and Angela Haldeman, for their willingness to put in such hard work and her regret at being unable to attend the last meeting due to late arrival back in town.

Public Hearing

None.

Trustee Linda Young expressed concern that the students coming forward into the extended stay hotel may be discriminated against due to their family situation or why they move so often; she does not want to create that perception.

Superintendent Pat Skorkowsky stated CCSD is cognizant of the need for sensitivity and a stable home is being provided at Cortney Junior High School; the school office managers and registrars are trained when students come from addresses such as this hotel to offer additional assistance through Title I HOPE, which provides additional stability for the students.

Rick Baldwin stated staff is very sensitive to this: the staff recommendation will provide community with all of the other students moving up to middle school from Treem and Thorpe Elementary Schools to Cortney Junior High School; if not approved, these students will be the only ones in their area transitioning to Brown Junior High School.

Trustee Linda Cavazos stated she has visited White Middle School and witnessed the assistance provided by the school social worker and how much it is helping students.

Motion by the Board of School Trustees to accept the staff recommendation to reassign the area as described from Thurman White Academy of the Performing Arts Middle School to Francis H. Cortney Junior High School.

Motion: Trustee Cavazos

Second: Trustee Edwards

Vote: 7-0, Motion Passed

#### PUBLIC COMMENT

None.

Albert Delgado thanked the Trustees, Superintendent Skorkowsky, and Rick Baldwin for support and for the appointment of a quality commission that can work together well. Mr. Delgado stated he was asked when he last reported to the Board of School Trustees for suggestions from AZAC. Mr. Delgado stated staff can provide the Board of School Trustees with the complete list of comments; one comment he wanted to put forward is parental complaints about notification. Mr. Delgado requested the Board look into methods of sharing information with parents.
