By now I am sure you have noticed that the CCSD website has a new look! The website has been redesigned and offers much of the same information however; it does offer some new information, as well. One area I would like to share with you is located under students, then student opportunities; this website location provides the most up to date information about the opportunities for our students. Communication is key and this webpage offers a variety of information for our students and parents; from PSAT and ACT/SAT information, to scholarships that are available, to upcoming contests; it's all located there and much more! So take a minute to look around the redesigned CCSD website and enjoy the new look and the extensive information that is provided and available to you throughout the website.
