Dear District F Constituents, Parents, Staff, Students and Friends:

As the school year comes to an end for all 9 month schools, I would like to encourage all of you to continue to work with children to support the learning that has gone on throughout the year. Please find ways to augment this learning during the summer months. Also, please keep in mind that year round schools are still in session and school speed zones are still in effect for these schools.

The state budget and its possible impact on education is a concern that continues to be foremost in our minds. While we have managed to handle the cuts thus far without impacting the classroom, any future cuts in the next biennium (2009-2011) could mean serious consequences for our schools. I will be keeping a close eye on the financial indicators throughout the summer in order to be able to gauge the trends and anticipate the implications for the future of education funding.

We are moving forward with broadcasting our meetings live on the internet within the next few months. We do not have a 'go live' date yet, but I will keep you posted.

To all of you with children who are graduating, I wish them success in their future endeavors and heartfelt congratulations!

Attached you will find the dates for my F-Troop meetings next year. For those of you unfamiliar with these meetings, I hold a monthly meeting throughout the school year with constituents and community members to share information and to have open dialogue. These meetings are called F-Troop for my trustee district which is District F. They are open to anyone to attend. Please consider coming to one or all!

I hope you all have a very safe and enjoyable summer.

Carolyn
