Congratulations Graduates for Keeping Your Eye on the Cap!!!!

We have come to the end of another school year (at least for those on 9-month schedules), and I want to send my most sincere congratulations to all the graduates in District E and their families. Graduating from high school takes a huge personal responsibility by our students, but they could not do it without the support of their families and, of course, wonderful teachers! Thank you all for participating in the Clark County School District this year, and I hope we can count on your continued support, even if your children are no longer attending one of our schools!

For those schools on year-round calendars, please know how much we appreciate your efforts during the summer months. Also, let me know if you have any programs I can attend...this is my favorite part of the job!

Regarding the state budget situation, I encourage you to please stay on top of this issue. We will continue to have hard decisions to make, and I look forward to your input. Thank you again for your involvement and have a great summer.

Terri Janison

Congratulations to Ronzone Elementary School

Casey Korder's fifth grade (Ronzone Elementary School) was a winner in the Coach's Challenge. Coach Kruger, UNLV Head Basketball Coach, visited the class on Monday, May 19, to present the class with a certificate, gifts, and prizes. The students earned points for eating healthy and for physical activity. Students were interviewed on what they did to earn their points.

Cathy Conger, Principal
 Ronzone ES
