The first quarter of the school year has gone by fast. I hope everyone is having a good year. A special thank you to Mrs. Waters and Hancock Elementary School for hosting our September meeting. We were given a great overview of the legislative session by Nicole Rourke, Community and Government Relations. As always, a goal is to reach out to our elected legislative body on behalf of education in Nevada.

The October PACE meeting will be held on **Wednesday, October 21, 9:30 a.m. at Lummis Elementary School, 9000 Hillpointe Rd., Room 34, Las Vegas, Nevada, telephone number 799-4380.** Dr. Lauren Kohut-Rost, Deputy Superintendent, Instruction Unit, will be our guest speaker on the Quality Assurance Framework (QAF). This is the guiding document used to gage the success of the District and each individual school. I would highly recommend attending or sending a representative from each school.
