HAVE A FUN & SAFE SUMMER!

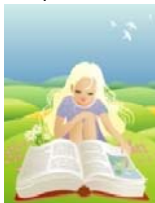

With the hottest MAY on record behind us we have now officially hit summer! This is typically the time of year when families pack their bags and head off for adventures. While we still have many students on the year-round calendars, I hope that families will remain dedicated to preserving family time as well as the importance of daily school attendance.

The 09/10 school year will bring changes for us all. With the implementation of the Area Service Centers, my A-TEAM area will now be supervised by two different Area Superintendents. Be aware that the A-TEAM meeting day, time, and place will most likely change; so watch for my upcoming newsletter for more information. I am open to all input regarding the meeting places and times. If you have any ideas, let me know.

Tomorrow is the last of the high school graduations for me. It has been a joy to be able to attend these life changing events with the family and friends of the graduates. Getting a high school diploma is not just a run-of-the-mill thing anymore; between being credit sufficient, passing ALL of the High School Proficiency tests, and the regular high school "stuff", High School graduation is a BIG DEAL! So please enjoy – celebrate your accomplishment and then, keep going! Move on and up to the next big thing in your life. Keep on the path you have been dreaming about. Continue to seek educational opportunities. An education is not limited to formal study; it includes artistic endeavors; it also includes experiences with people and places; conversations with family and friends, visits to museums and concerts, and opportunities for service. We should expand ourselves and enjoy the journey.

If you or anyone you know would like to be added to my email notification list, please email Lisa, at llchrapcynski@interact.ccsd.net If you are already on the email list, PLEASE pass this newsletter on to parents, family, or friends who are not.

Your Trustee,
Deanna L. Wright
dlwright@interact.ccsd.net

ADDITIONAL NOTES:
