I cannot believe summer has come to an end, and the 2009-2010 school year is upon us. Time just seems to fly by. I sincerely hope that you enjoyed the time you had with family and friends talking, playing, relaxing and just hangin' out.

I am optimistic about the upcoming school year. I am confident that we can continue to make gains in the High School Proficiency Exams as well as the CRT tests given in the lower grade levels. I am hopeful that our economy will start to turn around so we can avoid any more cuts to our budget, as we are already doing more with less.

With the restructuring of the District to Area Service Centers, I will now be holding A-TEAM meeting at various locations around District A. Please see the attached sheet for dates and locations. I would love to have each school represented at each meeting. I have some great guest speakers planned. Topics such as Homework Hotline, ParentLink, PBS, Virtual High School, and school lunches are on the schedule. Staying connected to your student's teachers, PTA/PTO, school administrators and your trustee is helpful in many different ways. Know that each one of us are here to help you in any way we can. While there is always a chain of command, know that I am always available for questions, concerns or comments. So if your schedule permits, please take time to join me for the A-TEAM meetings. I look forward to seeing you there.

.....off we go – the start of the 2009-2010 school year!

Your Trustee,
Deanna L. Wright
