HAVE A FUN & SAFE SUMMER!

Dear District C, "The VILLAGE": Parents, Principals, CCSD Staff, Students, Community, and Friends:

Rob Gilbert, Ph.D., Editor of Bits & Pieces shared "The Four Surefire Rules for Success." They are as follows: 1. Show up; 2. Pay attention; 3. Ask questions; and 4. Don't quit. When reviewing these rules for success according to Dr. Gilbert, I believe these success recommendations could be applied to just about everyone in The VILLAGE, from the school principal, classroom teacher, support staff, students, parents, community and business members, to all of us. We must model these rules for students by not only showing up but showing up 20 minutes before the appointed time, paying attention to others and to details, asking pertinent questions and for additional information, and persevering with our commitments or projects for our schools, homes, and community.

Ensuring that all students have a strong foundation in reading, writing, math, and other core subjects is as important as ever, yet these skills alone are insufficient for success in the 21st century. We realize that students must learn to think both critically and creatively, evaluate massive amounts of information, solve complex problems, and communicate well to meet the future demands ahead of them in our global challenges according to the research from the (ASCD) Association for Supervision and Curriculum Development.

For our students, we must be the encouragers for success who must spread the word of how we will support all students in their academic attainments. In The VILLAGE, we will model success as we and all students must press forward to educational excellence.

I am extending a special invitation to each of you: parents, principals, CCSD staff, students, the community, and friends of education, to attend our final 2009-2010 school year District C: The VILLAGE meeting scheduled for 9:00 a.m., Wednesday, June 17, 2009, at Jay W. Jeffers ES, Phone: 799-2100, 2320 Clifford Street, Las Vegas, NV 89115.

At this meeting, we will continue to finalize District C, The VILLAGE's Vision Statement, Mission Statement, Goals, and School/Community Programs and Activities, Calendar, etc. We will be starting the selection process for the VILLAGE Council leadership positions. Additionally, we will be contacting various legislators to speak to the Village participants regarding the future agenda of education from a local, state, and national perspective. (See attached meeting dates for the 2009-2010 school year.)

I am requesting that each District C school send two parent representatives, one administrator and/or other identified staff to the June 17, 2009, meeting to "Meet and Greet" members from various community organizations who are interested in forming partnerships with schools in District C. Looking forward to seeing you at the June 17th meeting.

Yours for Excellence in Education,

Dr. Linda E. Young, School Board Trustee, District C
