Hello District E families and staff,

We made it through another year. Congratulations to all the staff and families who have tirelessly supported their students throughout the school year. **Special congratulations and kudos to this year's graduating class!** I'm looking forward to seeing some of you at your graduation ceremonies.

If you missed our last PAC meeting, we discussed topics that would be of interest for future PAC meetings. There were a number of questions looming around the reorganization. Trustees and CCSD staff have since hosted Listening Tours throughout the district. These events have been facilitated by the TSC2 Group.

**Don't forget...The first day of
school for the
2017-2018 school year
is August 14, 2017.**

Trustee Edwards and I recently co-hosted one at Goolsby ES. The goal has been to get feedback from School Organizational Team members about things that are going well in the reorganization, as well as things that need to be improved. We take constructive feedback very seriously and we look forward to hearing from more people in the future.

Unfortunately, our Listening Tours are missing the voices of the community members who are not actively involved in the reorganization process. These community members' voices and opinions are equally important. We want to make sure that individuals understand what the reorganization means for their schools. We also want to give individuals an opportunity to have their questions and concerns addressed. To be as inclusive as possible, we are currently planning a community forum to talk through the reorganization at the district level. I will send you more information when it becomes available. In the meantime, to learn more about the reorganization please visit: <http://reorg.ccsd.net/>.

My goal will always be to host meetings with topics that are relevant to as many people as possible. Please let me know which topics interest you here: <https://surveyhero.com/c/6b0d4e3>.

If you have a specific question regarding an issue at your school, please feel free to email me directly or call the board office. This will always be the fastest and most efficient way to have your question answered.

Now that school is almost over, I have more time to meet with parent groups or school organizational team members. I do work at a year round school, but my schedule is much less hectic now that testing season is over. I realize a lot of people travel for the summer, but if you're going to be around and want to meet during the summer, let me know. It hasn't been possible to meet with as many people as I wanted, since I work full time and have been attending a lot of end of the year celebrations. Please feel free to reach out to me and invite me to coffee sometime. I'll be around most of the summer.

Your School Board Trustee,
Lola Brooks – District E
