Dear District D Parents, Students, and Constituents,

Welcome back to the 2015-2016 school year! The opening of this school year went very well.

On August 18, the Clark County School District held its fourth-annual Summer Commencement Ceremony at the Orleans Arena to celebrate the accomplishments of students who remained dedicated to earning a high school diploma. The students participating in the ceremony chose to stay the course and work through the summer to complete needed course credits and pass proficiency exams. Congratulations to all the graduates!

Infinite Campus is the District's Student Information System, electronic gradebook, and parent/guardian and student portal. The "Campus Portal" provides parents/guardians and students with real-time access to information so they may better understand, monitor, and participate in the educational process.

A mobile app is also accessible for any Apple iOS or Android device. For more information about Infinite Campus, visit <http://ccsd.net/parents/infinite-campus>

Parents/guardians and students who have a Campus Portal account from the 2014-15 school year will continue to use the same username and password. If you do not have an account, please contact your child's school.

Inside Education airs on Vegas PBS (Channel 10) at 7:30 p.m. every other Tuesday with veteran television journalist Mitch Truswell as host. The program is a cooperative effort with the Clark County School District (CCSD) to provide increased transparency and accountability to students, parents and taxpayers. Complete Inside Education episodes and featured segments can be viewed on vegaspbs.org/inside-education/ or the VegasPBS YouTube page.
