Greetings, District G families!

This is my opportunity to bid farewell to our wonderful families and school communities and to say thank you. Thank you!

Beginning this fall, I will be returning to school. The time commitment will require that I resign my seat on the school board in August, so there is a vacancy to be filled. I hope that each of you who is qualified to serve in District G will consider applying for the position that the board must fill for the 16 months and 2 weeks that will be remaining in my term, which ends December, 2018. Please check the school district website, ccsd.net over the next few weeks to learn more about the appointment process, including how to apply to serve.

I would like to extend special thanks to all of our families for the great opportunity to work together with our schools to form strong school communities and help individual students learn and succeed. Thank you for everything you do each day! I am also very thankful to wonderful teachers and leaders in our schools and to the individuals who support our schools in many ways. Thank you. Many, many thanks to Superintendent Skorkowsky for superb leadership and genuine care for our students and for all who help them succeed. I am honored and proud of the most important decision we made while I have served on the school board: appointing Superintendent Skorkowsky. Thank you, Superintendent Skorkowsky, and thank you to each member of the CCSD team.

Again, to each of you: Thank you for everything you do to support our schools and students!

Sincerely,

Erin
