Happy New Year

I hope all of you had a great holiday enjoying time with family and friends.

With the start of 2015, I was thinking of all the advances we have made in the last 60-100 years. I found the following photos online. After seeing these pictures, who knows what the next 25-50 years will bring.

The One Wheel Motorcycle, capable of reaching a top speed of 93 mph. (1931)

A bicycle that fits a family of four, including a sewing machine. (1939)

A young Paul McCartney takes a mirror selfie. (1959)

Attendance Zone Advisory Commission (AZAC)

Attendance Zone Advisory Commission (AZAC) is a committee of the CCSD Board of Trustees composed of 14 members who are appointed by individual Board members with one member appointed by the superintendent. Beginning in September of each year, AZAC holds several meetings to review enrollment numbers, zoning boundaries, and anticipated growth.

In January, AZAC will hold a series of input meetings, giving the public an opportunity to comment on any proposals the commission is recommending for possible rezoning. After all meetings are held, AZAC will submit their final recommendations to the Board of Trustees at a public meeting, for review and possible action.

Parents who would like to provide input on possible rezoning can attend AZAC meetings in person or they can submit written comments to azac@interact.ccsd.net. Additional information can also be obtained on the AZAC website at <http://azac.ccsd.net/>. You may also access information on the Trustees webpage at <http://www.ccsd.net/trustees/board-committees.php>
