RE Kenneth Englehart

Dear Sirs

This letter is to serve as a recommendation to have the Clark County school district name a school after Kenneth Englehart.

I have known Ken since his appointment as Counselor at Renslow High School in 1959.

He has held the position of elementary Principal and director of elementary teacher placement in the Personnel Department of the Clark County school dist.

Ken has always been loyal to the district and diligent in carrying out its policies.

He became involved with the Clark County Teachers Credit Union and held ^{the} positions of President of the board for several years.

I have found Ken to be honest, Trustworthy and Professional

I feel honored to recommend Kenneth Englehart

Sincerely

Willard J. Beitz
