# ACKNOWLEDGEMENTS

The authors would like to thank the over 200 Clark County School District leaders and staff whom we interviewed and worked with during this study. In addition, we would like to thank the administration of Broward County Public Schools, Houston Independent School District, and Miami-Dade County Public Schools for their assistance during the peer comparative analysis portion of this study.

# C ONTENTS

Chapter 1 – Executive Summary .....	1
Study Methodology.....	4
Major Findings and Recommendations .....	6
Chapter 2 – Student Performance Analysis .....	29
Introduction .....	29
Summary of Key Findings and Recommendations .....	29
Highlights of CCSD Student Performance .....	32
Comparison of CCSD with Three Peer Districts .....	47
Factors Contributing to Program Success.....	54
Chapter 3 – Academic Programs and Services.....	57
Introduction .....	57
Section 1 – Curriculum and Instruction .....	60
Section 2 – Student Assessment.....	66
Section 3 – Teacher Professional Development .....	72
Section 4 – Response to Intervention.....	78
Section 5 – School Operations .....	83
Section 6 – Evaluation of Academic Programs .....	95
Chapter 4 – Budget Process and Transparency .....	113
Chapter 5 – Operational Cost Efficiency Review.....	133
