

CLARK COUNTY SCHOOL DISTRICT REGULATION

4214

SUPERVISION OF TRANSPORTATION SERVICES

- I. The Transportation Department has supervisory responsibility for the safe transport of students and the operation of transportation services. The site administrator has supervisory responsibility for the conduct of students who use transportation services and to process Student Conduct Violation Citations issued by bus drivers.
- II. School bus drivers are responsible to both the site administrator and the Transportation Department.
- III. In conformance with the established rules of conduct, and safety practices for students who utilize transportation services developed jointly by transportation services and work site administrators, the site administrator will process Student Conduct Violation Citations.
- IV. The school administrator will assign responsibilities to school bus drivers during school sponsored activities and trips.
