

CLARK COUNTY SCHOOL DISTRICT POLICY

5123

PROMOTION AND RETENTION

- I. It is the policy of the Clark County School District that students work toward achievement of the District's educational goals in a continuous program of learning through an established grade-sequential curriculum.
 - A. Advancement through the curriculum, retention in accordance with NRS 392.033, or double promotion shall be based upon a student's demonstrated achievement rather than age or years in school.
 - B. Before any student is retained in the same grade rather than promoted, a reasonable effort to arrange meetings with the parents or guardians to discuss the reasons and circumstances will be made. The principal in joint agreement with the teacher(s) have the final authority to retain a student.
