

## CLARK COUNTY SCHOOL DISTRICT POLICY

5134

### CARE OF SCHOOL PROPERTY

- I. The Clark County School District expects students to develop a pride in their schools and to respect school property. The District, therefore, charges all Clark County School District students with responsibility for the care of school property and the school supplies and equipment entrusted to them.
- II. Students who cause damage to District property shall, in accordance with Nevada statute, be subject to disciplinary action, and their parents or guardians shall be held responsible within the limits of Nevada statute for restitution for such damage.
