

This is Clark County School District Superintendent Dr. Jesus F. Jara

Today, Governor Steve Sisolak announced the difficult decision to close all schools in our state, including Clark County School District schools, effective tomorrow Monday, March 16, 2020. This closure will continue through Monday, April 13, which includes the already scheduled Spring Break. State health officials will determine if schools are to reopen after April 13.

While no students will be attending school, CCSD essential functions will continue operating throughout the closure, pending potential adjustments based on the changing environment.

As the decision to close our schools was made out of an abundance of caution to prevent the spread of coronavirus COVID-19, we ask parents to keep in mind the recommendations of the Southern Nevada Health District (SNHD), and as much as possible, please keep your children at home and avoid unnecessary outings.

We will continue communicating regularly throughout the closure to keep parents informed. Again, all schools are closed effective tomorrow, Monday, March 16, 2020, until at least, Monday, April 13.

Este es el Superintendente del Distrito Escolar del Condado de Clark Dr. Jesus F. Jara

Hoy, el Gobernador Steve Sisolak anunció la difícil decisión de cerrar todas las escuelas de nuestro estado, incluyendo las escuelas del Distrito Escolar del Condado de Clark. El cierre entrará en vigencia mañana, lunes 16 de marzo de 2020. Este cierre continuará hasta el lunes 13 de abril. El cierre incluye las vacaciones de primavera que ya estaban programadas. Los funcionarios de salud estatales determinarán si las escuelas deben reabrir después del 13 de abril.

Aunque los estudiantes no asistirán a las escuelas, las funciones esenciales del distrito continuarán operando durante el cierre. Posiblemente habrá ajustes basados en el entorno cambiante.

La decisión de cerrar nuestras escuelas se tomó con mucha consideración para evitar la propagación del coronavirus COVID-19. Les pedimos a los padres que tengan en cuenta las recomendaciones del Distrito de Salud del Sur de Nevada (SNHD) y, en la medida de lo posible, que mantengan a sus hijos en casa y eviten salidas innecesarias.

Continuaremos comunicándonos regularmente durante el cierre para mantener informados a los padres. Nuevamente, todas las escuelas están cerradas a partir de mañana, lunes 16 de marzo de 2020, hasta por lo menos el lunes 13 de abril.

Food Distribution Information

The Clark County School District (CCSD) will continue providing breakfast and lunch to students during the closure of our schools beginning tomorrow, Monday, March 16, 2020.

Student food distribution pods will be set up at 15 school locations throughout the valley from 8 a.m. to 11 a.m. Monday through Friday.

In order to comply with federal regulations, a school-age child must be present for food to be distributed. The pickup location will be set up outside of the school sites to facilitate distribution.

CCSD is working with its rural communities to set up food distribution and will communicate to these communities directly.

Additionally, CCSD will be working with our government and community partners to set up food distribution options to ensure our students have access to additional food. Information on these options will be shared with parents as soon as it is available.

Parents can also pick up academic resources at these sites.
