

Any CCSD employee who has made an appointment to receive a vaccine at UNLV or CSN Henderson and is not a medical professional (i.e. Nurse, First Aid Safety Assistant, or Health Office Backup) will be turned away. Only CCSD employees who are medical professionals will have their appointments to receive a vaccine at UNLV and CSN Henderson honored at this time. Appointments scheduled at other locations will not be impacted.

We have been working with UNLV this week to determine the next steps in offering vaccinations to our CCSD community. At this time, the work to set up the scheduling website and process is still ongoing. As a result, a specific date is not yet available for CCSD Staff utilizing the Nevada System of Higher Education (NSHE) pods.

We will continue to communicate with our staff as we have additional information.

Questions regarding the vaccination process should be directed to [health-check@nv.ccsd.net](mailto:health-check@nv.ccsd.net)
