(Good For the Entire Month of May)

Located a short distance from the Las Vegas Strip in Lake Mead National Recreation Area, the Black Canyon is one of the country's most unique places to visit. Formed over millions of years by volcanic activity, the canyon lies just below the unforgettable Hoover Dam where the canyon walls rise nearly 2,000 feet from the river's edge.

The Hoover Dam Raft Tour departs from the Lake Mead RV Village in the Lake Mead National Recreation Area. From here, guests board a raft for a trip downstream through the spectacular Black Canyon with a beach stop for lunch before arriving at Willow Beach Marina on the northern reaches of Lake Mohave. Disembark at our full-service marina where you'll have time for a bit of shopping and refreshment before boarding tour buses on the ride back to the Black Canyon River Adventures location for drop off or continuation on to Las Vegas (depending on tour).

Tours depart at 10AM Thursday – Sunday
