

Clark County School District

Early Childhood Special Education (ECSE)/Pre-Kindergarten (Pre-K)

Immunization Requirements

2024–2025 School Year

Below are the immunizations, per Nevada Revised Statutes (NRS) 392.435, which are required before entering an Early Childhood Special Education/Pre-Kindergarten. Once enrolled, a child who turns 4 years of age has 30 days to complete the required immunizations pursuant to NRS 392.435 and 394.192.

***See the Clark County School District Health Services Department K–12 Quick Immunization Reference Guide: 2024–2025 School Year for interval dosing and additional guidelines.
