Get to know your group POS plan.

It's personal care combined with freedom of choice. With a POS plan, you can choose how you want to use your health plan based on three benefit tiers.

Here's how it works.

To take advantage of **Tier I benefits**, you must choose a Health Plan of Nevada contracted primary care provider (PCP). You'll see your PCP for routine care, yearly checkups and other general health concerns. In return, your PCP will keep a record of your health history to make informed decisions about your care. With Tier I, your **PCP helps coordinate specialty care** through a referral. You'll visit your PCP for an initial exam. If you need a more thorough diagnosis, your PCP will refer you to a specialist. This option provides the most coverage for the least out-of-pocket cost.

With **Tier II**, you can bypass your PCP to see a specialist or a doctor in network, but you will share more of the cost.

This may include copayments or coinsurance for office visits, coinsurance for other covered services and a deductible. This tier also has a larger provider network and gives you access to the UnitedHealthcare Choice Plus national network.

With **Tier III Out-of-Network**, you can visit any licensed health care provider or hospital. However, you are responsible for paying all costs for care at the time of service, filing claim forms for reimbursement, meeting a deductible and sharing higher coinsurance.

You and your primary care provider are a team.

Everything you need

is in your wallet.

Card shown is an example.
Plan and copays may differ.

Discover the benefits of your plan.

POS plans are designed to offer flexibility. Combining the best features of an HMO and PPO, POS plans give you choice. **You can pick the benefit tier you want each time you access care.** For example, if you see a specialist once or twice a year, you may decide to access that specialist directly for a higher cost share and not worry about getting a referral from your PCP.

You are not required to stay in network. If you choose to use the Tier III Out-of-Network benefit, you are free to see any licensed health care provider. However, you will pay for the care up front and have more out-of-pocket costs.

Preventive care available at no cost. Your plan covers preventive care screenings at no cost when you see a network provider. During the visit, your doctor will review your health history and may recommend preventive screenings, depending on your age and risk factors.

Access to Southwest Medical in Southern Nevada. Your plan includes access to Southwest Medical, one of Nevada's largest multi-specialty medical groups. Southwest Medical has health care centers across the Las Vegas Valley, including a **24-hour urgent care**. Find out more at smalv.com.

Access to the largest provider network in Nevada.

Real Appeal[®] Weight Loss Program

Based on Science. Led by Experts.

- ▶ \$0 copay
- ▶ Free success kit
- ▶ Weekly online group sessions with transformation coach
- ▶ Real Appeal app

10 lbs. average weight loss*

* Based on Real Appeal at-risk participants who attended four or more sessions. Individual results may vary.

The Real Appeal program is available to **group members** with a BMI of 23 and higher as part of their covered health benefits. Enroll today at healthynv.realappeal.com.

Save time and money.

When you need care, call your primary care provider (PCP) first.
If your PCP isn't available, it's important to know you have options.

Care options	For needs and symptoms such as:			Copay ¹
 24/7 advice nurse Care advice from a registered nurse. Call 1-800-288-2264 , TTY 711	<ul style="list-style-type: none"> Choosing where to get medical care 	<ul style="list-style-type: none"> Minor illnesses or injuries 		No Cost
 24/7 virtual visits Video chat with a doctor on NowClinic®	<ul style="list-style-type: none"> Allergies Bladder infection 	<ul style="list-style-type: none"> Bronchitis Pinkeye 	<ul style="list-style-type: none"> Sinus problems Viral illnesses 	No Cost²
 24/7 urgent care³ Care for non life-threatening but urgent needs	<ul style="list-style-type: none"> Ear infections Colds and other respiratory problems including coughs and congestion 	<ul style="list-style-type: none"> Sprains and strains Most abdominal pain Vomiting and diarrhea 	<ul style="list-style-type: none"> Most cuts, burns, fevers and back pain 	\$\$\$
 Urgent care at home⁴ If appropriate, get urgent care that comes to you	<ul style="list-style-type: none"> Migraine headaches Cuts that need stitches and skin infections Urinary tract infections Flu and pneumonia 	<ul style="list-style-type: none"> Asthma attacks, COPD and respiratory infections 	<ul style="list-style-type: none"> Dehydration, IV placements and IV fluids 	\$\$\$

 **Your health plan is not contracted with certain freestanding ERs. Ask before you enter.**

If you have a life-threatening situation, call 911 or go to the nearest hospital emergency room. If it's not an emergency, comparing care options could help you save time, money and frustration.

¹Actual payments may vary depending upon benefit coverage. The information and estimates provided are for general informational and illustrative purposes only and are not intended to be nor should be construed as medical advice or a substitute for your doctor's care. You should consult with an appropriate health care professional to determine what may be right for you.

²\$0 copays apply with most unscheduled NowClinic virtual visits. Scheduled NowClinic visits may require a copay. Virtual visits may be subject to calendar year deductibles and/or coinsurance according to the member's benefit plan. Copays may also apply for virtual visits with providers not on the NowClinic platform.

³Hours of operation may vary by location.

⁴Restrictions apply. Not available in all areas. To see if urgent care at home is right for you, contact our 24/7 advice nurse toll-free at **1-800-288-2264**, TTY **711**.

⁵IMPORTANT: 1) Your health plan is not contracted with certain freestanding and hospital emergency rooms. Call your health plan for more information. 2) Some neighborhood hospitals may not have specialists on staff, so you could be transported to a hospital emergency room for complex conditions that require a specialist.

NowClinic® virtual visits are not intended to address emergency or life-threatening medical conditions. Please call 911 or go to the emergency room under those circumstances. NowClinic services may be covered by some health plans; copays and deductibles may apply. Members under the age of 18 must have a guardian contact NowClinic customer support for assistance in enrolling for their account. Customer support can be reached at **1-877-550-1515**.

Important things to know about a group POS plan.

- ▶ A **primary care provider (PCP)** is encouraged, but not required for **Tier II and Tier III benefit options**. If you do not choose a PCP for the Tier I HMO benefit, one will be assigned to you based on your address. You can change your PCP at any time. Females 14 years and older may select an OB/GYN in addition to a PCP. For a complete list of providers, visit **HealthPlanofNevada.com**.
- ▶ To **receive the greatest cost savings** on a specialist visit, you should see your PCP for an initial exam. Then your PCP will provide a referral to a specialist for a more thorough diagnosis, if needed. This applies to your Tier I HMO benefit only.
- ▶ You need to get care from **in-network (contracted) providers** to receive benefit coverage, except for emergency services and urgent care. To receive benefit coverage, ask your providers to use a network lab for any tests or diagnostic imaging services, such as X-rays, MRIs and CT scans.
- ▶ **Prior authorization** is needed for certain services. See page 15 for a quick lesson on prior authorization.
- ▶ Going to a **non-contracted hospital** may result in you being responsible for hospital charges/bills.
- ▶ Always carry your **health plan ID card** with you. Show it when you fill a prescription and check-in for medical appointments. It includes important phone numbers and plan copays.

Pharmacy benefits

Your plan covers prescription drugs from **network pharmacies**. Your copayment is based on levels called prescription tiers. The costs are lower in tier 1 and higher in tier 3 (or tier 4 if one applies). View our preferred drug lists at **HealthPlanofNevada.com**.

Step therapy

You may be required to try **step therapy**. This means you must try certain drugs to treat your medical condition before we'll cover another drug for that condition. You may submit an exception request to waive step therapy requirements or quantity limit restrictions.

Hospital stay

Your doctor will help coordinate your care if you should ever need to be admitted to a hospital on a non-emergency basis.

Our team will help monitor your care by performing initial and ongoing reviews. This is to make sure the health care services you receive are appropriate, provided in the right setting and medically necessary. If you're admitted to a hospital outside of our service area, we may review your medical records to evaluate the appropriateness of the medical care, services, treatments and procedures you received.

Depending on your situation, we'll arrange for any ongoing medically necessary care, services and equipment you need after leaving the hospital. This may include in-home care or transferring you to another facility.

Prior authorization

Your provider may prescribe a health care service, treatment, equipment or medication which requires review and approval. This process is called **prior authorization**, and the goal is to ensure you receive the most appropriate, medically necessary care.

All requests requiring a medical or clinical decision are reviewed by a licensed physician or under the supervision of one. In addition, only a physician may deny a request. To learn more, please refer to your health plan documents.

You or your provider may **file an appeal if coverage is denied**.

To appeal a decision, call Member Services or mail a written request within 180 days from the date of the denial.

We'll stay in touch.

- ▶ You'll receive your **health plan ID card** by mail prior to your effective date.
- ▶ Soon after your effective date, you will receive notification by mail that your **plan documents** are available in the online member center.
- ▶ **Go paperless.** Choose your communication preferences to get information electronically like notifications of important plan documents by text and email. Just sign into **HealthPlanofNevada.com** or the **MyHPN** app.
- ▶ If you're a new member, you'll receive a **Let's Get Started** guide by mail soon after your effective date. This guide includes important information about using your health plan.
- ▶ We'll email you our Taking On Healthy eMagazine with lifestyle, health and plan information.
- ▶ When **new services** are introduced, you may receive information by mail or email. Most service introductions are included on **HealthPlanofNevada.com**.
- ▶ Follow Health Plan of Nevada on Facebook, Instagram and YouTube and visit **TakingOnHealthy.com** for a variety of health and lifestyle tips.

Know your privacy rights.

We're careful to protect your privacy. This includes oral, written and electronic information. We only share protected health information (PHI) with individuals or entities responsible for coordinating your health care or administering your health benefits, unless we have your permission. And, of course, we share PHI in accordance with state and federal law. We also require our contracted providers to take similar steps to protect your PHI.

We may use your medical data to promote and improve the quality of care you receive. When we conduct research and measure quality, we use summary information whenever possible, not PHI. When we use PHI, steps are taken to help protect it. We do not allow PHI to be used for research by organizations without your consent.

You have the right to access your medical records.

Contact your provider to request a copy. When you request your medical records be shared with others, you may be required to sign an authorization form.

We may ask you for permission to use your personal data for non-routine purposes. Of course, when we ask, you have the right to refuse. If you lack the ability to authorize a release, we obtain authorization from persons recognized by state and federal laws to give such permissions.

We appreciate the opportunity to serve you.
